**Milton  
Gang  
show  
1995**  
"It's  
great to  
be  
young"

Milton Scouts and Guides were proud to present "It's great to be young" at the Community Centre from 23 to 25 February 1995. The show featured a cast of 82 Rainbows, Beavers, Cubs, Brownies, Scouts and Guides; ranging in age from five to fifteen.

Rehearsals started soon after Christmas. A lot of hard work was required learning the words to songs and sketches ready for the first night. It was worth it - the show was excellent and everyone involved had a lot of fun.

The show included song and dance based on the themes of Rain (what a surprise!), Circus (eat your heart out Barnum), Football Crazy (ooh ah Cantona) and Peace. The youngest members of the Gang, being the Rainbows and Beavers presented "Under the sea" - a story of three little fishes with songs from "The little mermaid".

Milton Cubs provided the eight worst football jokes you'd ever want to hear. So bad that some were read out on Q103's "Worst joke Wednesday".

Jake's Mates featured TV favourites such as Bruce Forsyth, Mr. Bean and our Cilla. Sketches such as "On the phone" proved "It's good to talk".

A team of adults transformed the Community Centre into Milton's answer to the London Palladium; staging, lights, sound, costumes and scenery all added to the performances. The show played to packed houses on all three nights.

A heartfelt thanks to all those who gave many hours to make the show possible - almost 100 people in all. An excellent team effort that demonstrated the community spirit that exists in Milton.

"Idle hands" is often why young people get into trouble. Yet in Milton there are opportunities through the Scouts and Guides to take part in a wide range of activities which must surely be capable of satisfying the hopes and aspirations of all young people. "It's great to be young" provided one such glimpse of the opportunities available.

Finally a big thank you to the stars of the show ..... the young people in the cast who proved "It's great to be young" - a credit to Milton Village.

## Daffodils in Milton

After such a dull wet winter it was lovely to see the Daffodils in bloom throughout the village.

It would be nice if village people would plant a few bulbs next autumn in front of their houses and on nearby grass verges. Just a small amount of money spent on bulbs would give endless pleasure to Milton folk, when the daffodils bloomed the following spring.

Why not join Milton Parish Council this autumn and plant some daffodils throughout the village, to add to the bright splashes of colour next spring and help to make Milton a more attractive place in which to live.

finished the day at 6.00 pm in Wells. The longest part was still to come - Wells to Cromer, over 24 miles on marsh, shingle and cliff paths.

The only thing longer than the mileage were the blisters! We finished in the rain at dusk in Cromer and it was unanimously agreed "never again 46.6 miles in two days". Proceeds from the sponsorship are going towards equipment for the School and outside donations to the 'Sparklers' Victoria Road United Reform Church.

## Who are the Bottle Smashers?

Who are the people who constantly get great pleasure in taking milk bottles from people's property and deliberately smash them in the roads of the new estate north of Butt Lane. Don't they realise that the postman, cyclists and children could have a bad accident, due to the broken glass left everywhere. It is also left on the walkway to the school, where young children run. If it were not for local residents sweeping it all up, how dreadful it would be.

## Milton Parochial Charities

Recently at a Dinner in the Arundel House Hotel the Trustees had as their honoured guests, Mr & Mrs Fred Carlton, to show their appreciation to Mr Carlton on his retirement as a Trustee of the Charities after having served 45 years. The Charities have been fortunate in having Mr Carlton as a Trustee over this long period; his concerns for and his interest in the Village and Villagers in so far as the Rules of the Charities are related have been appreciated by all Trustees over the years.

On behalf of the Trustees Mrs Beryl Waterson (Chairperson) presented to Mrs Carlton a basket/bouquet of flowers and a garden plant to Mr Carlton.

Mr Carlton will be available in future as a Consultant to the Trustees.

Regretfully the resignation of Mr G Patten has also been accepted and his contribution to the work of the Charities will be greatly missed. Mr Patten served as a Trustee for over 10 years.

Welcome is given to the new Trustees - Mr I May, Mr T Stubbings and the Rev I Cowley who join the present Trustees Mrs B Waterson, Mrs P Fletcher, Mr R Day, and Mr P Harrold.

*Mrs Ann Moore* Clerk to the Trustees

## Women's Institute

It will be the AGM in March when we elect a new committee and we are looking for members with new ideas. Our speaker in February told us about her trip to Romania, and had asked for toiletries from members to be sent there and she was delighted with the response. In May we shall be holding the group meeting which consists of Milton, Landbeach, Waterbeach and Chesterton getting together with speaker, entertainment and competition and refreshments. The Village Fayre in July will see WI members behind the teapot as usual. *Mary Daniels*

Contributions for our news sheet are always welcome.  
Please try to keep within 100 words and no more than 200.  
Thank you for your support. *JC*

## Friends Of Milton Country Park

The Friends of Milton Country Park has been in existence for a year. It consists of people who are interested in the Park as an attractive place to visit with some of them playing a more active role in the affairs of the Park.

The first project, construction of a cliff to encourage the breeding of Sand Martins has gone well, due to the efforts of a small band organised by Emma Foster, and should be completed in time for the return of the birds from Africa this year.

Surveys have been carried out to provide more information about the Park, some of which have been published. Some posters and other equipment have been provided for use in the Visitor Centre or by visiting school groups as well as flasks and mugs for the refreshment of our own work parties. Four Newsletters were published during the year; less successful was the introduction of monthly short talks on Sunday afternoons, though this may be reconsidered with the longer opening hours in the summer.

The work could not have been carried out without the support of the local firms listed in the Visitor centre, and by donations from individuals, including an extremely generous £50.00.

The Friends have helped to staff the reception desk for much of the time the Visitor Centre has been opened and extra help has been provided for special events in the Park and Fayres, fetes etc. in several villages.

A couple of social events, a barbecue in September and a Christmas meeting were held, both well attended as they were so successful, it is proposed that they should be repeated this year.

The AGM was held on Tuesday, 28 March 1995, if you were unable to attend this, why not come to the Treasure Hunt in the park on SATURDAY, 15 APRIL, the hunt starting at 3.00 pm with soup and roll available at 4.30 pm.

Charges for the Treasure Hunt: Friends £2.00, non-members £3.00, children £1.00. Tickets will be available from the reception desk or committee members.

If this report interests you, why not join us? Membership forms are available from the reception desk at the Visitor Centre or Tim Siggs, Parkside, 1 Pearson Court, Milton.

## V.E. Day May 1945

Fifty years ago I was at home in Liverpool when it was announced on the radio that the war in Europe had ended. After nearly 6 years of war, which had started when I was 19 I just couldn't take it in at first. It seemed unbelievable, but when I finally realised it was true, I felt a great urge of relief and terrific elation.

Our next door neighbours banged on our front door to make sure we had heard the wonderful news, and soon we were joining others in the street, hugging one another and jumping up and down for joy. After years of air-raids, separation and loss of loved ones and always the fear of German Invasion, it was just so good to know it was all over at last.

After years of Blackout, we delighted in turning on all the lights in the house and drawing back the curtains. The lights came on in shop windows and on tram-cars - the world seemed full of light once again.

The street parties began almost immediately. We dragged tables and chairs out into the street, and everyone contributed to the party food with anything they could find. We lit bonfires and brought out old wind-up gramophones, and even pianos, for music to dance to. We decorated the fronts of the houses with home made bunting and we had a wonderful time.

The centre of Liverpool City had been devastated in the Blitz but they managed to have some very spectacular military parades amongst the debris and the bombed out buildings and we crowded into the city to listen to the massed bands and watch the parades and join in all the celebrations.

There was an anti-climax for me however as my husband was serving with the Royal Navy in the Far East at that time, and the war with Japan was still raging, so I still had my anxious times and separation from him until Japan surrendered some months later, I had another celebration on V.J. Day.

## Wanted VE Day Memorabilia

The Parish Council would like to put on a display of photographs and articles at the Village Fayre to celebrate V.E. Day. If you have any reminiscences especially about Milton would you contact the Clerk, Jim Daniels 861447.

All photographs would be copied and returned immediately.

## 100 Years Of The Parish Council

The arrival of the Council Tax Demand this week prompted a few thoughts of the Parish Council which was set up for the first time about 100 years ago.

The local rate for Milton in 1995 is £50,000 - in 1895 it was £15!

Over the years the problems faced by the Parish Council have a familiar ring. Some extracts from the Minute Books will give a few examples:

*4 June 1897* - It was resolved that the District Council be written to complaining of the fearful stench on 29, 30 and 31 May emanating from the Sewage Farm.

*25 March 1920* - The Clerk will ask the village Policeman to make a special effort to keep the village boys from damaging the village pump

*29 September 1929* - The Clerk will write to the Cambridge County Council suggesting that some check should be applied to the speed at which motor cars travel through the main street of Milton as it was dangerous to pedestrians and motorists alike.

*31 January 1939* - It was reported that the speed limit signs recently erected did not have the desired effect.

*30 April 1946* - A public meeting was held to ascertain the feelings of electors concerning Victory celebrations on 8 June. It was agreed that the children be entertained to a tea.

*12 October 1951* - A complaint had been received concerning anomalies in bus fares from the Landbeach Road stop. The return fare to Cambridge is 10d (about 4p) - the same as from Landbeach village whereas from the stop at The Waggon and Horses and the petrol pumps it is only 8d.

*14 July 1964* - Concern was expressed at the speed of traffic through the village. There seemed to be no apparent effort on the part of the police to enforce the 30 mph limit. The matter will be brought to the attention of the Chief Constable.

## Indoor Heated Swimming Pool

The opening of the new swimming pool at Impington Village Collage is Scheduled for July 1995.

More than 80% of the available time will be for the benefit of the community. We need to know what

your needs are with regard to the opening times and usage. For example when is it most suitable for mothers and toddlers or for senior citizens to go swimming? At what time should the pool be open to allow early morning swimmers to attend before commencing work? Please give your thought to this and return the pro-forma below.

On the subject of fund-raising, £90,000 is still required to meet the building costs. However, if you wish to have your name or the name of your business placed in a prominent permanent position in the pool then specific items can be purchased such as lockers (£6,000), benches (£6,000), office furniture (£2,000) or pool tiles at £1 per tile. Recognition would be by putting up a plaque on the wall with an inscription detailing your contribution.

I would like to thank the editors of the Village View for allowing IMPACT the opportunity to publicise this amenity. The last edition of the Village View attracted two donations of £100 each.

Please give us your support.

Thank you

### News From Milton Surgery

All of our patients who have visited the surgery recently will be aware that Dr. Steward has now returned from her maternity leave after the birth of her second daughter. Dr. Simon Brown joined us in November to work in place of Dr. Steward during her absence, and we will be sorry to see him leave at the end of April, although he will be coming back occasionally to help out during the holidays.

Dr. Katie Thomas, who has been working at the surgery every Tuesday and Thursday mornings will also be leaving at the end of May. We will all be very sorry to see her go, she has been a popular member of the team for one year. However, Dr. Nadia Kingsley will be joining the surgery at the beginning of May. Dr. Kingsley has worked at the surgery as a locum for some time, and we are all delighted that she has agreed to join us on a more permanent basis. She will be available for consultations on Tuesday, Wednesday and Thursday mornings and Tuesday afternoons.

## Chance To Learn Badminton From International Coach - Lee Jabock

Cambridge Regional College is to host a special badminton event on Saturday, 1st April 1995, sponsored by Carlton, the leading badminton equipment supplier. Players will have the chance to practise their strokes under the tuition of experts such as LEE JABOCK, National Coach to the Korean badminton team and Ray Learney, the Development Coach of the Badminton Association of England and his colleagues.

'The aim of the day is to encourage people to take badminton up and to develop those who already play', explains College Hall Manager Wilma Smith 'We're delighted that Carlton is sponsoring this day and are particularly proud to be welcoming Lee Jabock to Cambridge'.

The 'Team Carlton Day' will be at Cambridge Regional College's Kings Hedges Site and will offer sessions for different ages and abilities throughout the day, starting at 9.30 am with a session of short badminton for the under-10's and including a coaching clinic for league players, demonstrations by top players and a session for disabled players.

The day is completely free, as Carlton is donating the coaches' time, the shuttlecocks and rackets. Everyone is welcome, from complete beginners to experienced players - but please wear sports clothing and appropriate footwear - to keep our College Hall floor in good condition!

# Red Nose Day At Milton Primary School

We started the day in a whacky way by all coming dressed up in multi-coloured clothing - some people even wore wigs and were therefore unrecognisable. All the children then spent the day enjoying various red nose activities. The infants took part in drawing red nose pictures, looking at how Comic relief spends it's money and pinning the nose on the clowns face. The juniors took part in compiling a newspaper, writing a joke book, deciding where to spend Comic Relief funds and writing a very obscure history of the red nose dating it's existence back to the dinosaurs!

We ended the fun by having a Big Nose Assembly where the children had the chance to share all their work and to look at how the children who had been voted most Outrageously Dressed Child in each class, looked. The teacher who won this accolade was none other than Mr. Paul Barraclough who came complete with whitened face and wig.

All in all it was a great day for staff and pupils alike and we managed to raise in excess of £170.00. Many thanks must go to all the people who donated money to comic relief and all the adults and children who got involved in Milton Primary's Red Nose Day.

Thank you for helping to make others smile!

## Carpet Bowls

Some members of the Carpet Bowls Club have just enjoyed a weekend of competitions at Fowlmere. We did Milton proud when one of our teams were in the final of the fours, Spencer Maltby was in the final of the singles, the triples got to the quarter finals and two teams played in the semi-finals of the pairs. Some of us are looking forward to a weekend of bowls at Hemsby in April.
