## Double Celebration Year for Milton Primary

Chairman of Governors with the teachers and head of Milton Primary

Left to right - Helen Bett, Sandra Lee, Leslie Birch, Susan Roney, Jane Renwick, Chairman of Governors - John Harradine, Barry Moss, Headteacher - Tom Gillmore, Tara Fox, Amanda Cashmore, Ruth Bowers, Susan Dingwall, Val Gray, Maria Wilkinson, Paul Slater, Jill Dunkow, Jo Pierce, Rachel Grguric

Milton Primary School in Butt Lane will now be able to celebrate not only forty years but a great fortieth year as the school is presented with an excellent OFSTED report. In that report the Office for Standards in Education (OFSTED) praised headteacher Tom Gillmore, his staff and the governing body, as well as the quality of teaching and the behaviour of pupils. "Milton Primary School is a very good school with many positive features and some significant strengths," said the inspectors' report. They highlighted pupils' behaviour in and around the school as "exemplary" and added that the quality of pupils' personal development was excellent. By the end of Key Stage 2, the pupils' attainment is well above national expectations in English, mathematics and science.

Inspectors described the governors as a well informed body with a thorough understanding of their responsibilities. "They conduct themselves efficiently and are rigorous in their approach."

Chairman of Governors John Harradine said "I am delighted that the Report has confirmed our view that the school provides our children with such a good education.

I would particularly like to thank the Headteacher and all his staff for their hard work and commitment over many years."

## Milton Pram Race

Having being long overdue for a comeback the Great Milton Pram race is back. This event has been scheduled for Easter Bank Holiday Monday (April 13th) - race starts 13:00pm.

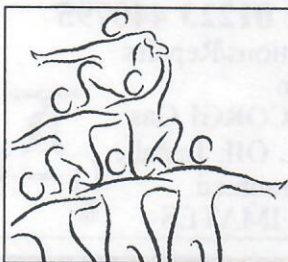

The event will be in aid of the Milton Hospice. The last time this event was held in 1991 over £1000.00 was raised. This time we hope to double that figure.

So what's it all about? Well, all you have to do is build a pram in any design you wish. Prizes will be awarded to the best pram design and for the first pram across the finish line. The route will encompass visiting all 4 village pubs where each entrant has to down 1/2 a pint of beer! The event will be reported by Q103.

**How do I enter?** - Entry forms can be obtained from Dillons newsagents, or from any of the village pubs. Posters have been placed around the village.

**Rules** - Rules pertaining to the pram race are detailed on the back of the entry form. There will be a £5.00 entry fee per pram. Completed entry forms to be sent to Ian Jones, 11 Fen Rd, Milton, Cambridge, CB4 6AD

**Contacts:** - Any queries please contact Ian on 440031 or Rus on 504221. So dig out your old prams, GoKarts & wheel barrows and get building those speed machines. Best of luck and may the most devious Dick Dastardly win!!

May we also take this opportunity to thank all our delivery people once again for their tireless help, without which it would be impossible to bring this magazine to your doorsteps.

## Milton History

We are at the moment collecting information together to make a historic file of Milton to use in future issues of Milton Village View. If you have anything of interest that we could copy we would be very grateful.

## Gardening Service

Resident volunteers of Edmund House Group of Homes will be resuming the gardening service on the 1st of April. The scheme is open to Milton residents who are no longer able to maintain their own gardens due to age or infirmity. It is hoped the gardening volunteers will also have the opportunity to have use of a glasshouse based at Impington Village College. Our intention is to start a small nursery to raise plants to sell, this project is for the longer term. The costs of setting up for this project are high, we therefore are appealing for second hand tools, plants, plant pots and trays. If you can help us with these items or want to know more about the gardening volunteer service contact Carolyn Watts or Ian May at Edmund House on C 440186

## Say it with Flowers

Apparently the daffodils on the side of Milton Land fill site spell out some words and these can be seen from the top of a double decker bus. Do you know what they spell?

It has so far been an unusually warm year and this prompted the daffodils along side Bene't Close to burst into flower over Valentines weekend! Most of the daffodils planted alongside the verges have been purchased by the Parish Council and planted by volunteers. The last planting was done at the Humphries Way / Landbeach Road entrance and these have looked especially pleasing this year. It is hoped that more daffodils can be planted this autumn, if you would like to help or suggest an area to be planted please contact me.

## South Cambridgeshires Baha'is Multicultural Event

A group of delightful young Indian dancers stole the show at the Multicultural Event organised by The South Cambridgeshire Baha'i Community at Milton Community Centre last Saturday. This event coincided with a special time for Baha'i International community, as they celebrated the approach of their New Year on March 21.

These events are held in different parts of the region to bring together people of all races and backgrounds to celebrate their cultural diversity through an evening of entertainment and food. Participants are encouraged to bring a dish from their country of origin to share with others.

Other performances include folk music, Flamenco dancing renditions of songs from shows and a Viking drama all of which were greatly enjoyed by an audience of over 100 people. The event finished with a lively disco of music from around the world.

## Ideas for Celebrating the Millennium

The Millennium Committee had its first meeting on March 17th at Milton Community Centre. A number of ideas were put forward and it was agreed to list them in the Village View for your comments. Some projects would cost virtually nothing whilst others will have to find funding.

1 A path and walk way between the Country Park and Milton Community Centre. Suggested by Lynne Twinn with a similar suggestion for a path from Ian Davis.

2 Creating a Millennium Green in the centre of the village by making roads in the area narrower. Suggested by Revd. Ian Cowley

3 Millennium Maze, created using mounded earth as Hilton Maze - possibly sited on the green or a play area. Suggested by Jane Coston

4 Sensory Garden to be situated between the Doctors surgery car park and the Community Centre garage, with a link into Tomkins Mead Nature Reserve. Suggested by Don Wildman.

5 Creating a learning centre to encourage creativity for all ages. Suggested by David Lee

6 A fully equipped Information Technology Room to be used as a library and meeting room. Suggested by Jane Coston.

7 A suggestion that people take seed from a favourite tree that means something to them and to grow them into trees for planting possibly in a Millennium Wood. Suggested by Jo Snaith.

8 Build a purpose built youth centre with coffee bar. Suggested by Hazel Smith

Space has not allowed us to give justice to the above ideas which were explained in detail at the meeting and were felt to be worth further investigation.

Please send your comments to:

## The Friends of Milton Country Park

Spring has sprung!!! The week beginning February 14th, the day it is said that birds mate for the coming year, saw the 'Friends' inviting people to come to the Park to make nest boxes. In all forty three boxes were made during the week, a few of which were donated for siting in the Park. A big thank you on behalf of the birds, to all those who took part.

Early Monday 9th February, Radio Cambridgeshire joined us in the Park. A short live interview took place in Tomkins Mead. The 'Friends' and Park Rangers, with the co-operation of the Parish Council and finance from East Waste Ltd., through Eventure Southern, celebrated the hard work that has been done there, and later the same day a bridge was placed over the ditch. Now there is access to Tomkins Mead for everyone, and hopefully the management in the area will encourage growth of many wild flowers which were previously abundant there.

## School Memories of Milton Past

The Old School in Fen Road, Milton

### School Days in Milton

The lessons I liked best were spelling, writing and what was called dictation, and anything to do with figures. Geography and history were not my best subjects, but one history exam I felt quite confident that I would get good marks. Well, I would have done had I not let someone sitting next to me copy my paper, she thought by altering a few words the master wouldn't notice, (what a silly girl I was!). Well she wouldn't own up and I was a bit scared what she would do to me so we just kept quiet. Result; my 80 out of 100 was reduced to 40. Funny how these things stick in ones mind.

Mary Burling - That Was.

### Old School School Photograph

In the last issue of Milton Village View we asked if anyone could put names to faces. The photo was taken Summer 1958 just before the school closed. Olive Parker (89) who was 10 when she went to Milton Primary, has sent us some of the names she can remember:-

Anne Carter, Rosemary Carter, Anne Thoday, Jennifer Carlton, Hazel Grey, Susan Hall, Winifred Ashman, Boy Froment & Shipp, Margaret Wilkin.

Jim Daniels has very kindly given us the following list. Those marked \* still live in the village. Those marked \*\* live in Milton after having moved away for many years. We have put in a question mark where a name is unknown. Can you help with the faces we still have no names for?

Back Row: Mrs Wooding, Rupert Webb, Stuart Carlton, Denise Palmer, Susan Halls, William Rippingale, Jim Daniels, Miss Sutcliffe (Headteacher) Nora Halls

3rd Row: Linda Allen, ?, ?, ? Archibald, Christopher North, ?, ?, Michael Tyrrell, Jennifer Carlton, ?, ?, Hazel Gray

2nd Row: ?, Nigel Waterson, ?North, ?, Rosemary Carter?, Raymond Gray, John Allen\*, ?Froment, ?, ?, Philip Adams, Ann Carter?, ? Archibald

Front Row: Timothy Siggs\*\*, Roy Gray, Alistair Archibald, ? Worsley, Dennis Allen, Ian Warner, Angela Whittington/Worthington, Margaret Constable, Christine Easy\*, Margaret Wilkin, Sonia Gray, ?, Christine Hall

### Milton Primary School 1998

Milton Primary extensions have just been completed. The letter below is to the architect from one of the children at the school.

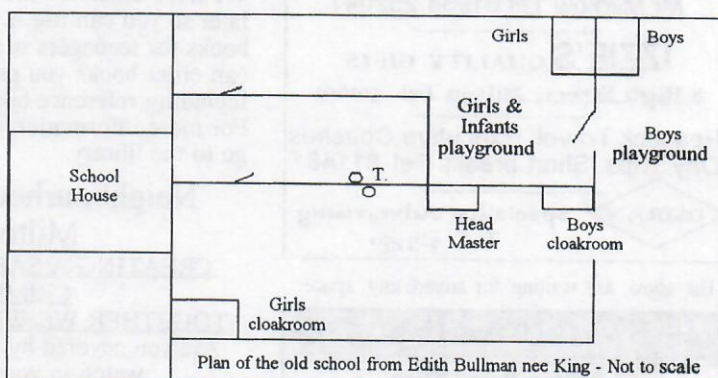

Dear Mr Hickford,

Hi my name is Emma Fordham and I am ten years old. I am writing to tell you of what I think of the new building. I think that it's really nice the way you designed the extension I personally think the best part is the annexe because of the fountain and the way the benches go round it. It is also really cool how the windows are pointed at the top and as there so much bigger we have more light. Talking about lights, I love the circular ones in the hall, they give the building a really good effect!

I am really pleased that we have got central heating because when we were in the mobile we had a gas heater which we had to keep turning off and on and opening the windows when it got quite hot.

The white board has squares on it which helps Miss Cashmore a lot because her writing was going up or down in a slope. It also slides which is helpful because Miss Cashmore only had one block so it wasn't very helpful!

Yours sincerely  
Emma Fordham

Lots of entries for the 'Notable Events of this Century' competition which appeared in the last issue. ## We're not buying it information

We hope to deliver to you inside this magazine, the Cambridgeshire Constabulary "We're not buying it" information and stickers. This will probably be done a few streets at a time over the next few months to allow us to collate this it into the magazine before delivery. We hope you find this information helpful.

## Womens Institute

March meeting is our AGM when we elect a new committee. We would welcome new committee members. We are all happy as we are but new faces have new ideas, and believe you me the committee meetings are very happy ones. We enjoyed a salt dough demonstration in February. It was most interesting with some fascinating ideas for ornaments, wall hangings etc.. Later this year some of us will be visiting Denman College in Oxford.

## 'What's In The Name Of A Road?' No.1

In Milton as in many other villages and towns, the main road is the High Street with other roads appropriately named leading to neighbouring built up areas i.e. Cambridge, Ely and Landbeach; Fen Road (originally Lane) and Church Lane connect with obvious places. The name of the remaining old road in Milton, Butt Lane is shrouded in history. This road over 200 years ago led only to the Roman road (Mere Way or Akeman Street) which runs North from Cambridge along the Western boundary of Milton parish and across the Fens towards Ely. Butt lane literally 'butted' on to the Mere Way and only after around 1800 did it continue to Impington; during the time of the Romans, Butt Lane may well have connected the Mere Way with the River Cam via Fen Road for the transport of goods.

In future editions of the news sheet, I will be reviewing names given to the more modern roads in the village. Many of these will be obvious to the 'older' inhabitants, but perhaps less so to our 'new arrivals'. As a foretaste of things to come, Fox's Close off Butt Lane - did a wily creature evade the huntsman in this part of the village, or was he a notable person living nearby?

All will be revealed in the next edition of the Village View!

## Who was Barnabas Shipp

At the Parish Council meeting on 2nd January we recommended that the new sheltered housing be named Barnabas Shipp Court. Why did we do this?

According to the Parish records Barnabas Shipp was at one time employed by the Parish as a "roadman" however his relevance to the sheltered housing comes after his retirement.

In 1961 a motion was passed by the Parish Council to write to Mr Shipp commending him for voluntarily sweeping and cleaning the bus shelter near the entrance to the sheltered housing. He was then aged 90!

Mr Shipp next comes to our attention in 1971 when he reached his centenary. The Parish Council congratulated him and voted to send him a case of wine. They also proposed to name the second phase of Old School Lane, then about to be built, Shipp Lane but due to a change in the plans this never happened.

The Parish Council now propose to remedy this, recommending that the new development for our older residents be named after Barnabas Shipp.

## Cambridge Rowing lake - update 25.3.98

### Lottery application

The Trust submitted its application for Lottery funding for A Rowing Lake for Cambridge to the Sports Council in October '97. A Lottery decision is not expected until a National Rowing Strategy is completed for the ARA, the national governing body of rowing, in July '98. The cost estimate for the project is £13.93m. We have applied for 65% funding from the Lottery Sports Fund, leaving us with £4.88m to raise. Over £2m has been pledged to date.

The proposal is for a 200 acre country park including a 2000 metre eight lane course connected to the River Cam near Bates Bite Lock by a two lane canal and a 1000 metre four lane cut. The earliest possible date for filling the Rowing Lake is spring 2000. There will be free access for the public on foot or by bicycle. The cycle path which will go around the lake will be connected to the river towpath.

The plans include a boathouse with manager's flat, an indoor rowing/sculling tank, disabled accessible changing rooms and boats for junior and schools rowing, as well as basic provision for adult beginners. Juniors and complete beginners are two groups who might not benefit fully from the Lake if they had to row down from the existing boathouses to access it, as the vast majority of crews using the Lake will do.

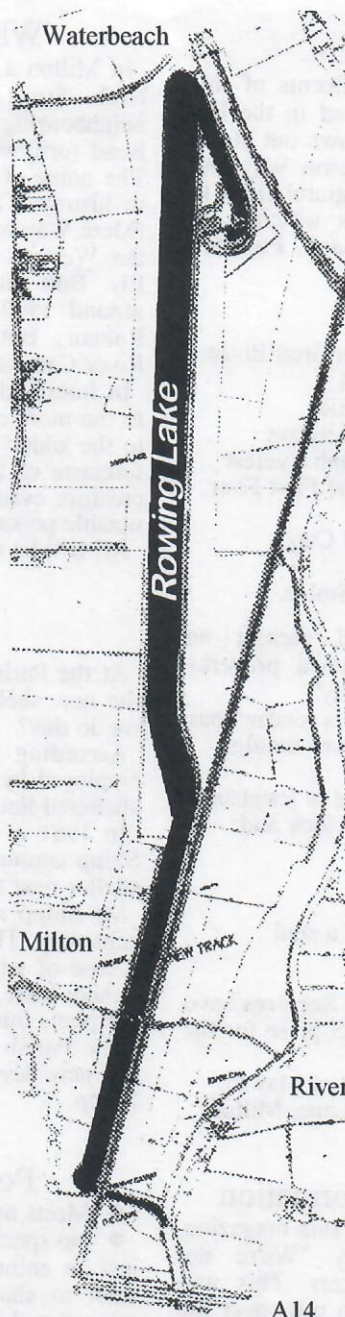

### Ongoing rowing development in Cambridge

The Trust is working with the existing clubs to develop structures to recruit more people to rowing, particularly through links with schools. The Cambridge Rowing Trust Schools & Junior Rowing Group (with representatives from clubs, the ARA, Local Authorities and six local schools including Impington Village College) was set up for this purpose, new members from schools would be very welcome and should contact Rosemary Hoskins at the Trust.

A new working group on Veteran & Recreational Rowing is also meeting, with an initial focus on encouraging adult women beginners to take up the sport.

Cambridge Rowing Trust is a charitable Company limited by guarantee (registered number 2963773) and a registered Charity (number 1040693).
