**Father Christmas visits  
Mother and Toddler Group  
All Saints Church Milton**

Three successful Christmas Parties were enjoyed by eighty mums with toddlers. The Tea and Chat group, for mums with babies under one year, shared a lunch together and also received a visit from Father Christmas.

It was a busy week for Father Christmas who visited four times in all, each time in different guises.

The aim of the Toddler Group is to provide an outreach from the Church to the village community, giving parents, childminders, etc., an opportunity to form new friendships while their children play in a happy and safe environment.

The group is run by volunteers and would welcome any extra help.

*Sue Nunn*

The Editors wish to thank and congratulate all the volunteers for their every day efforts and for giving their time to provide this valuable village facility.

*J Coston*

## Old Photos Found

We are pleased to report that following the enquiry in the December Issue, the photos that once hung in the Old British Legion Hall (Lion and Lamb Function Hall, now demolished,) are now in the hands of the Parish Council. Approximately twenty photographs of varying sizes make up the collection, which bring back memories for some, and for others show relatives and friends of old. We can now look forward to seeing them on display perhaps. *J C*

**Cable Cabinet Causes  
Problems to Pedestrians**

The relocation of this Cable Cabinet to a more pedestrian friendly position, indicates communications have improved between the Cambridgeshire County Council and Cambridge Cable. Previously a letter from Cambridge Cable stated the cabinet was in a position approved by the Cambridgeshire County Council.

Many thanks to the mum for giving permission to use the photograph, it helped to make one footpath a safer place for pedestrians.

## WOMEN'S INSTITUTE

Our Christmas meeting was a very  
enjoyable one, after a very short  
business part we just did our own thing  
with an old fashioned game of musical  
parcel, and one or two wall games -  
anagrams, etc, poetry readings and a  
short story. We were very fortunate to  
have a visit from Santa Claus!

We then settled down to do justice to  
the food, drink and cake. The  
competition was a decorative candle.

Although we did not have any outside  
entertainment it was a happy evening.

### Children in Need Appeal

Together with the Football Club we would like to thank all Villagers for their  
generous donations to our collection for the Children in Need Appeal.

Tesco's were again kind enough to allow us to collect in their doorway which  
raised £903.00. This, together with the Village collection of £965.10, made a grand  
total of £1,868.10. We are again grateful to The Lion and Lamb Public House for  
allowing us to use their lounge as a counting house.

### Club News

The 1992/93 season has seen changes in our Club format. Previously we were  
concerned at the apparent lack of enthusiasm from the newcomers to the Village,  
but we have been happy to welcome many new Village members this season thus  
expanding the Club to four teams.

Teams 1, 2 and 3 all had promotion this year and are currently progressing well  
in their respective divisions. Our new 4th team has exceeded all expectations and  
have not dropped a point all Season. All the team Members are full of enthusiasm  
and it is hoped they will continue their success and win their Division trophy.

Over the many years of the Club's existence we have run a Junior squad,  
however, the youngsters do not appear to have the stamina of the older members as  
their numbers dwindle during the colder winter months. We are and always have  
been keen to encourage our sport and look forward to their return together with  
any other youngsters who may be interested.

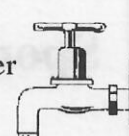

Wishing everyone a very Happy New Year.

# WHEN SANTA CAME TO PLAYGROUP

Milton Playgroup held its Christmas Party in its playroom on Friday, 18 December 1992.

Forty-seven children arrived in full party mood, raring to go and ready for festivities. A puppet show started the proceedings and held the children spell-bound for fifty minutes (no easy task, I can assure you!), after which the children were ready for their party food.

All the playleaders found themselves donning "Santa" hats whilst waiting on 47 very hungry children. Endless party sausages, sandwiches, crisps, nuts, biscuits and cakes found their way into 47 young tummies.

The food over, it was time for party games and Christmas songs, whilst wishing for Santa to arrive. Suddenly, to the cries of "we want Santa", he appeared! Santa himself .... with presents for all the children. Delight and wonder showed in their faces as each child collected their present in turn.

We ended the party with a chaotic attempt at musical chairs, and the children went home excited and happy, with tales of Santa's visit, leaving all the playleaders exhausted and ready for a well-earned Christmas drink!!

My thanks must go to all playleaders and volunteers who worked so hard to make the party a success, and of course, to Santa for making the day extra special.

Thanks.

Lorraine Rowson-Clark Playgroup Supervisor

## Appeal for Poppy Day Organiser As Brian Cullum Retires After Sixteen Years

Poppy Day and house to house collections have taken place in Milton for around 70 years. They used to be organised by the local branch of the Royal British Legion, until the branch was disbanded about twelve years ago when the membership fell to six active members.

Brian Cullum, who was the organiser at the time, agreed to carry on organising the Poppy Day, a task that he has continued to do for the past sixteen years. We owe a debt of gratitude to Brian for all his efforts. He now feels that he is unable to continue due to other commitments. It is just possible that somewhere in the village there is someone willing to take this very necessary task on.

Brian would like to take this opportunity to thank all the people who have helped him during his time as organiser, the collections and the businesses for their support.

I do hope someone will find it possible to carry on with the task and volunteer to telephone Brian on Cambridge 860126. I do know Brian will be only too pleased to help the new organiser in every way possible.

## COUNTRY PARK

Well the park should be finished soon, the end of March, if all goes to plan; although when I look at the half finished buildings and bare earth I wonder if we will make it. I take heart from the number of contractors working all over the park on various jobs and look forward to my cup of tea in the Visitors Centre after the cold and damp start to the year we have had.

I am still interested in finding out more about the past use of the Country Park area, so please contact me if you can help shed a bit more light on our knowledge of the areas history.

People sometimes ask me if they can take logs from the park for firewood. The answer is only after consulting the rangers, who can advise on the availability and location of any logs not required in the Park.

That's all for now see you in the Park.

## A Christmas Tail?

It was 23rd of Dec. 1992, when two mischievous cats decided to squeeze under the tiles of no 84's extension, and there they played in the warm, hiding from the owners until Christmas Eve, when one of them was seen and returned home to his grateful mistress.

Some days later, the residents saw a glimpse of a tail going into a crack above the rafters. Surely, they thought, it can't be that cat again! Feeling sorry for whatever it was, they put out food and water, thinking, that if it came in at the same time as the cat it would be very hungry by now. They did this for two days and each day when they returned, the food had gone.

On the third day thinking it may be a squirrel, they then tried an experiment and put out a nut. The next day they found the nut untouched. Eventually on New Year's Eve they actually saw that it was a cat. In fact, it was the brother of the cat they had turfed out on Christmas Eve, so they called it, but it was too timid to come out to them. A phone call later it was being cuddled by its mistress who had been worrying about him now for eight days.

Everyone was pleased it had come out of the crack of its own accord as if it had not they would have had to resort to using a saw to make the crack bigger! The cat was not pleased when he got home - his big brother had eaten all his Christmas presents!

I don't know if there is a moral to this true story but how about this? Don't be led into the loft when your brother has an eye on your Christmas presents. Please write with your moral.

## Rowing Lake Move

District Councillors have asked for an opportunity to consider environmental issues concerning the proposed Rowing Lake between Milton and Waterbeach.

The South Cambs. District Council's Conservation Committee decided that they wanted the chance to look at the concerns as a committee before it returns to planning.

The council's Planning Committee has already ruled that it has no objection in principle to the development subject to certain environmental studies and considerations by the developers.

Councillor Robin Page voiced concern that development of the lake on the chosen site would mean the loss of water meadows at Milton and he suggested use of an arable farmland site instead.

But Councillor Jeremy Fisher said the planning committee decision and conditions refer to only one site.

Environmental and archaeological studies are being carried out as a result of the planning committee's decision.

### Down Your Way

Many street names in Milton commemorate prominent villagers of past years. Perhaps the road or street where you live is named after such a person or a place.

Here are a few examples:

**Old School Lane** - an oddity to begin with because the old school was in Fen Road! It was located where the entry to Hall End now is. The Old School was demolished in the 1960's and replaced by the new school in Butt Lane.

**Humphries Way** - Ken Humphries was a District Councillor, Parish Councillor, Clerk to both the Parish Council and Milton Charities. He was a noted local historian and wrote a history of the village. He died in 1988.

**David Bull Way** - A local farmer, Parish Councillor and trustee of the Milton Charities. He was also President of the Milton Cricket Club. He also died in 1988.

**Walkling Way** - Eric Walkling was a Parish and District Councillor and also Chairman of the South Cambridgeshire District Council. He founded the tomato and cucumber business in Milton which at one time, during the Second World War, had one of the largest areas of greenhouses in the country; about 6 acres. This land was eventually sold off by 1985 and used as building land for the Sycamores and Rowans.

**Coles Road** - The Rev. William Cole was an 18th century scholar and antiquary whose house still stands in Fen Road. He was actually vicar of Bursham in Buckinghamshire while he lived in Milton but never rector of Milton. He was a great researcher and his collection of transcriptions of parish registers, church monuments and coats of arms are now in the British Museum.

### MILTON OUTDOOR BOWLS CLUB

1992 was very successful for a club in it's first season 'proper'. Teams played in two league programmes, friendlies, and county and club competitions. Congratulations to the winners of the various club competitions in particular to Jim Daniels/Keith Wright/Harry Jones who won the ROGER'S CUP as a consequence of their endeavours in one of the CAMBS AND DISTRICT COMPETITIONS. The club held its first Annual Dinner and Prize Giving at the Gonville Hotel on the 12th of Nov, and this was enjoyed by approximately 60 members and guests.

The 1993 bowls season will soon be upon us. It is intended that the same format will continue for the forthcoming season. Some of the club competitions are designed so that novices are encouraged to play with or against the more experienced players. The green will be open for play from the First Saturday in May until the End of September. We would like to emphasise that all are WELCOME to come along and try their 'HAND' as we wish to encourage new members and in particular

 Chairman : Len Sandford  
 Secretary : Margaret Sandford

The League Teams have been rearranged due to changes within the membership of the Club so we are going through a 're-building' (4/12/92) MILTON 1 and MILTON 3 are propping up Division 1 and MILTON 2 are 3rd in Division 2 but fortunes can change dramatically before the end of the season in April.

New members are always welcome so why not come along on a Thursday evening?

The Club has recently held it's CLUB SINGLES COMPETITION, organised by Lorna Sheen, who wishes to thank all who entered. The Final was between Spencer Maltby and George Maggott with Spencer running out the eventual winner by a narrow margin.

The Annual Christmas Party was enjoyed by approximately 50 members and guests. A "light hearted drive", was played during the evening and as a finale the Club Singles Trophies were presented by the Chairman Len Sandford to S Maltby and G Maggott. G Sheen
