MEET THE GANG

After an interval of eight years, the Milton (50th Cambridge) Scout Group in conjunction with the Guide Group staged their first Gang Show in the Community Centre. An event which transformed the main hall into a theatre auditorium and other rooms into changing facilities.

Out of a total cast of fifty-eight only ten were adults and the rest were Rainbows, Beavers, Brownies, Cubs, Guides and Scouts, with an average age of ten years.

Three performances were given including popular sketches and well sung production numbers, such as Invisible Dog, Presents and Rivals again, (I have not seen that Brownie since, but I thought I caught a glimpse of her brother dressed as a sailor).

The Beavers presented Animal Magic under the supervision of their new leader Julie Farrington. This was well received and performed by persons so young - well done!

I have always had a soft spot for "pantomime" and enjoyed this particular offering very much. I am certain that Nick the author of this piece would be very pleased.

All too soon the week came to an end with a finale on Saturday that was portrayed with

robust enthusiasm, leaving the audience shouting encore in the best theatrical tradition.

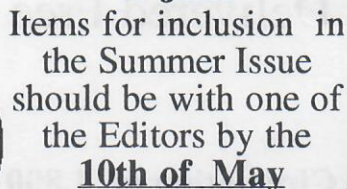

Well done young persons. we look forward to seeing you again in Feb 1995,
A Fanshaw

It was wonderful to see so many people enjoying this fine village event, put on for the benefit of all by a large group of volunteers, from the tremendous efforts of the children who had a lot to learn to the team who spent many days putting up the stage and taking it down again late Saturday night/Sunday morning.

Well done from the Editors

CRIME IN THE VILLAGE

Do you know what the recorded crime is in our Village?

The statistics for October, November and December 1992 show that there were 14 burglaries; 16 motor vehicles stolen; 25 offences of theft, (18 involved theft from motor vehicles) and 6 offences of criminal damage: 61 incidents in total.

As a comparison, Milton has marginally less crime than other villages; e.g., Cottenham, for the same period, had 77 incidents. There were no cases of violence or assault in Milton. The community can help themselves and the local Police by being vigilant and reporting immediately suspicious incidents to the Police.

Non-urgent calls to
HISTON POLICE STATION
Telephone (0223) 232222.

URGENT calls, e.g., witnessing a burglary happening - **Dial 999.**

PLEASE REMEMBER

1. Do not leave property in your car.
2. Do lock up your car.
3. Ensure windows and doors in your house are closed and locked when going out.

Bob Waters

CRIME

As a resident on the new estate (entrance from A10), I have noticed a recent bout in crime in this area, and am wondering whether it is just this estate that is being affected, or whether it is the whole of Milton?

I feel that the "new" A10 access to the new estate and village gives opportunity to crime as it is a quick exit from the village giving choices of the A10, A45 and M11.

It would be interesting to know which areas have been most affected by crime in Milton, and whether crime has increased in the village since the new entrance/exit on the A10 was made.

If it is due to this and this estate is the main area of crime, perhaps the introduction of "sleeping policemen" should be considered here.

K Potts

Contributions for our news sheet are always welcome.
Please try to keep within 100 words and no more than 200.
Thank you for your support. *JC*

LITTLE 'ODE' ON NEIGHBOURHOOD WATCH

It started up in Mollington in 1982
A village suffering so much crime
Whatever could it do?

There was a scheme they'd heard about
No new idea its true
Neighbourhood Watch they call it
The Police support it too.

The need to be aware of crime
in your locality
To make your home that more secure
and mark all property

There's door and window stickers
And Street sign to display
These tell the thief the Neighbourhood
Is one where crime won't pay.

measures in order to avoid falling the victims of crime themselves.

Neighbourhood Watch was started in the USA in 1968. The idea was very successful, bringing communities together and a closer relationship between residents and the Police. In 1982 the first scheme to be set up in Britain was in the village of Mollington, Cheshire. Such was its success that schemes have since been adopted nation-wide.

Many communities particularly in rural areas already have to some greater or lesser extent a 'community base' on which to build a successful Neighbourhood Watch.

The adoption of schemes within the Cambridgeshire Police area began in 1986 and there are currently 254 schemes in South and East Cambridgeshire Districts. 56 of these schemes involve entire villages.

I would like to stress that the formation of a scheme is easy, it is in maintaining commitment and enthusiasm that the problem lies, for when there appears to be little crime going on in a neighbourhood, complacency sets in, the guard drops and crime rears its head again.

An added inducement to residents thinking of forming a scheme is now often provided by insurers who may offer discounts on household contents premiums for members of Police recognised schemes.

If you are interested or would like further information please enquire at your local Police Station. Oh, and by the way Milton has just two schemes.

Charity Collections

A lot of money is given to charities in this village every year. House to house collections has been the favourite method and several annual collections have a long history here because of the enthusiasm and devotion of local organisers. However, things are changing. The work that charities do does not become any less necessary, but costs rise and getting money in gets harder. Finding organisers and collectors seem to get harder too and the charities are resorting to telephone canvassing. They ask for blanket permission to collect between certain dates and then from electoral roles start calling individuals and ask them to collect in their neighbourhood. At local level what this means is a rush of collections in late spring and early autumn, taking advantage of longer daylight hours, fair weather and avoiding holiday periods. The collectors have no choice but to collect when they are told to for fear of breaking the law.

In one month last year there were six collections.

Why don't they organise it better? When local police gave permission for local collections they knew who was doing what when. Now that the big charities fix their collecting periods nationally every week of the year is used several times over. Telephone canvassing makes things worse because it cuts across any local arrangements.

If you organise a local collection please contact the Village View with details of dates. It would also be interesting to know how much money is collected. Let us give them all a decent chance without annoying the generous givers in the community.

Royal British Legion

ROYAL BRITISH LEGION

In a previous Village View the R.B.L. emblem was referred to as a banner. It is NOT. It is a STANDARD and should be looked upon as a rallying point and symbol of all the Legion stands for.

The Blue and Gold of the Emblem - to remind us of all those who served in the air and on or under the sea. The Gold to remind us of all who were tried by fire. Whether on sea, in the air, or on land, Soldiers, Doctors, Nurses, Civilians, etc.

In the Dexter corner, is the Union Jack - made up of the crosses of St George, St Andrew and St Patrick. The Emblem which stands for all that every Briton holds most dear.

On top of the 8ft 8in jointed pole is a spire. The cords round its base must always be level and is said to "bind all together". I proudly carried the Women's section standard for about 12 years and was accompanied by the men's section standard bearers - Mr Frank Burling and then Mr Lester Gray.

The two standards are now laid up in All Saints, as we have no branch in Milton now. Lester and I were so proud to be amongst over 400 standard bearers for the 50th Anniversary held on Newmarket Race Course on 20th July 1971.

The Rowing Lake

A progress report has been issued by the Trustees of the proposed Rowing Lake. Included in this report are the following:

The siting of the Lake is being looked at so as to avoid the necessity of diverting Fen Road.

The implications are being considered of digging the lake to a depth of 3.5 metres.

The Royal Engineers at Waterbeach are interested in the project because it will provide suitable training in bridge buildings and track laying.

An evaluation of the archaeological importance of this site is being carried out and Roman pottery remains have been found.

The proposed plans and objections by Milton Parish Council have been considered by the Secretary of State who has decided to leave the matter in the hands of South Cambs. District Council. This effectively means that the Trust has approval for their plan.
M Spooner

1991 Census Profile Of Milton

The last count shows the population of Milton to be 3997 - 2014 males and 1983 females. In 1981 it was 1681 - so in 10 years the population has increased 2.5 times.

An Analysis of the age groups in Milton shows a comparatively young population:

Age Group	Male	Female	Total	%
1 - 4	160	150	310	7.8
5 - 15	256	237	493	12.3
16 - 29	534	576	1110	27.8
30 - 44	559	522	1081	27.0
45 - 59	301	278	579	14.5
60 - 74	154	150	304	7.6
75+	50	70	120	3.0
Total Residents	2014	1983	3997	100.0
Pensioners	146	220	388	9.2

Nearly half the residents are under 30.

There are 1613 households in Milton, so the average household size 2.48.

No less than 21% of the population lived at a different address 1 year ago thus reflecting the 'new village status of Milton.

Of the household characteristics, 45 residents lack or share a bath/shower/WC and 186 do not have central heating.

186 households do not have a car, 804 have 1 car and 626 have 2 or more cars - (and so many of these are parked in the street it is not surprising that the village resembles a huge car park).

1277 of the residents are owner occupied. There are 717 detached houses, 476 semi-detached, 271 terraced houses and 130 purpose built flats.

In 1991 there were 2453 people over the age of 16 economically active (ie at work) 1368 males and 1085 females whilst 104 were unemployed - this represents 4.2% of the population aged over 16 years.

DOWN YOUR WAY

Many of the Milton roads are named after prominent villagers of the past and here are a few more examples.

WILSON WAY - Up until the late 1960's there was a seed and corn shop in the High Street owned by the Co-op. It was located where the chalet style houses now are, between the White Horse and the shops. The Manager of this shop was Fred Wilson and Wilson Way is named after him.

KNIGHTS WAY - Samuel Knight was Rector of Milton in the 18th Century and was responsible for the building of Milton Hall in the 1740's. For many years Milton Hall was the home of the Rectors of Milton. The owners of the Hall held the Manorial rights of Milton until they were extinguished in the 1930's. Knights Way is named after Samuel Knight.

GUNNELLS CLOSE - The Gunnell family can be traced back about 250 years in Milton. They were mainly farmers and for many years their farm was Willow Farm - the site of what is now Willow Crescent. The last members of the family to live in the village were two sisters, who were also the last to hold the Manorial rights of the village. The graves of members of the Gunnell family can be seen in the churchyard.

In the last issue of the Village View reference was made to the Nursery run by Eric Walkling. The origins of this business in fact go back to the 19th Century when it was founded by Mrs Passingham. The first record of the Passingham family in Milton appears in the 1871 Census.

M Spooner

THE JET SETTERS

Last November two Milton Senior Citizens could not be accused of sitting around. These two old dears left their homes at 8.45 am and were back home at 12.15 pm; and where do you think they had been in between? Manchester and back of course! No, not on a tandem!

One of them was lucky enough to win a ticket for two on Suckling Airways at the Hospice Craft Fayre. The thing which made it more exciting was the fact that the pilot (Mr Suckling himself) told us we had picked the roughest morning for months, this made it more difficult to eat the breakfast which was provided.

Some went in our mouths and you can imagine where the rest went, well you try to eat and drink in a little plane which was jostled about in the wind and rain! The sun was shining at Manchester believe it or not.

We enjoyed doing something different, and would like to do it again, but next time can we go to Amsterdam please!

Mary Daniels and Rhoda W

Club Contacts Please Help

We hope to publish a list of Clubs & Club Contacts in the next issue.

Please help us print a correct list by dropping a note of the contact for your group to one of the Editors. We would be pleased of any information.

The only list we have is about 3 years old which we will do our best to update, but to keep the village informed we need your help. Thank you *J C*

Milton Cricket Club is expanding

At their recent A.G.M. the Cricket Club agreed to launch out a little further by entering a third team in the C.C.A's Saturday League Competitions. The third eleven will be under the guidance and Captaincy of Bob Waters, and Bob's aim is to include in the team two or three of our Colts in rotation, in order to give the lads experience, and with the hope that some of them will emerge later into the second eleven and hopefully first team. The home games of the third eleven will be played at Impington Village College.

The following Officers were elected:

Chairman: Trevor Burling
Vice-Chairman: Doug Teeboon
Secretary: Chris Almond
Team Secretary: Dave Richards
Treasurer: Phil Bone
Social Secretary: Dave Richards
1st Team Captain: Ian Bassar
Vice-Captain: Chris Almond
2nd Team Captain: Trevor Burling
Vice-Captain: Geoff Davis
3rd Team Captain: Bob Waters
Vice-Captain: Dai Evans
Mid-week Captain: Dave Mertens
Social/Sunday Team Capt.: P Woodgate
Colts Manager: Ray Scott

Steve McHugh, who has been with the Club for more years than he would care to admit, and who has captained our very successful 1st eleven for many years, has decided to try his arm in the next higher echelon of cricket in the County by joining the T.P. Associates side Grasshoppers, for whom he has guested on several occasions. Milton Cricket Club extend their very best wishes to Steve and hope that he achieves the success with his new club which he richly deserves. Steve has indicated that he would be pleased to make his services available to Milton, if at any time they should be required and convenient to both clubs. We are always on the look-out for new local talent, so please get in touch if you are interested.

Harry Capitain, President

CHRISTIANS IN SPORT THANKSGIVING SERVICES

During the past few years, we as residents of Milton, will have seen the introduction to the village of the superb sporting facilities, and which we can claim as second to none in the County. These facilities have come about by the generosity of Tesco's, the housing developers, the National Sports Council, and to some extent by the South Cambs District Council, and not forgetting a fund to which parishioners have contributed over the years.

Because of this financial aid we have acquired the Sycamores Recreation Ground and Sports Pavilion, the all-weather tennis, netball and five-a-side courts, and the outdoor bowling green.

Plaques have been unveiled by donors in recognition of this financial aid, and quite rightly so, and the appropriate words of thanks have been said to them, but have we as sports men and women expressed our thanks in our village church for these wonderful facilities which stand us all, and hopefully future generations in good stead.

What about putting this matter right?

To this end Reverend Canon Fred Kilner has agreed to get the ball rolling with the help of the Christians in Sport Organisation by arranging a Service in All Saints Church, where we would hope that the sporting fraternity and others will gather on one Sunday in the Autumn with their families and friends to offer our thanks and gratitude.

May I then, please ask the various clubs to think about this Thanksgiving Service, and show their appreciation by turning up in their numbers.

Details of this service will be circulated to clubs nearer the date which has yet to be arranged.

Harry Capitain

OUTDOOR BOWLS

The Annual General Meeting was held on 20th November 1992 and was well attended. The meeting elected the following officers:-

President: Len Sandford

Vice-President: Alan Greenacre

Secretary: Godfrey Sheen

Asst Secretary: George Maggott

Treasurer: Keith Wright

Asst Treasurer: Tony Hodge

Executive Committee:-

Rosemary Fuller

Pat Godden

Ann Hodge

Jim Daniels

Green Keeper: Ray Godden

Club Captains:-

Cambridge & District: D Haird

County Triples: Jim Daniels

Friendlys: Lorna Sheen

Ladies: Sheila Barkham

It was decided that fees for the 1993 season would be as follows:

Joining Fee 20.00

Annual Subscription 30.00

The 30p roll-up fee was abolished.

A full league programme has been agreed for the Cambridge and District League and the County Triples League, with 20 games in each, plus a programme of 15 friendlys.

With regard to opening the green for Club use, it is hoped this will be during the last week in April - weather permitting. *L Sandford*
