New Chairman of Parish Council

Rob Chapman
Chairman
Milton Parish Council

At the Parish Council's Annual Meeting on 11th May Jane Coston stood down after five years as chairman of Milton Parish Council. In her place Rob Chapman was elected chairman for 2009-10. Rob's first job as chairman was to thank Jane for her 5 years' service as chairman. In his words "Jane has Milton at her heart and if I can do half as good a job as she has done then the village will still be improving." Mark Ellwood was elected vice-chairman.

Milton Tennis Club

The above photo was taken in May this year on a Wednesday evening club night. The trophies displayed were won by our Mixed Ladies and Mens Doubles teams in the Business House League last year. This achievement led to our promotion and we have just commenced playing in Division 1 matches. For more details of our club see www.milontennisclub.co.uk

Netball Success

Representatives of all 3 netball teams with their trophies

It has been a successful year for Milton Netball Club with all 3 adult teams winning their divisions. The First team have been promoted to the County Premiere League and the Second and Third teams have been promoted to division 2 and division 3 of the Cambridge and District Netball League.

Milton Juniors have had a great season qualifying for the County U16'S which will commence in September.

Huge Congratulations to all Milton Netballers for their commitment and enthusiasm throughout the season. Squad selection will take place in August, if you fancy joining the club to play competitive netball please call Liz on 01223 861910 or 07784031406.

Guide to Milton 2009

A recurrent theme throughout the recent Parish Plan survey responses is that Milton residents want more information about village services and facilities. The Parish Clerk's Office have prepared a new Guide to Milton which is being delivered to every household in the village along with this issue of the Village View. The guide contains a host of information about the village and is meant to be used as a ready reference throughout the year. Please take some time to read through the guide and be sure to keep it handy for future reference. The Clerk's Office would like to thank all those volunteers who helped to put together and deliver the guide. Thank you also to all our advertisers. The cost of printing the guide was paid for with advertising revenue. We think you will be surprised to learn all that Milton has to offer!

Milton Summer Fayre

Saturday 11th July 1.30-10.00

The Summer Fayre this year has a great line up once again. We start the afternoon with a group of Cheerleaders in the arena, followed by Kick Boxing, Bird of Prey displays, Irish Dancing, children's races, Belly Dancing etc.. We have live music throughout the day into the evening from two great groups and a male vocalist, numerous stalls and side shows, bouncy castles, Rodeo Bull, mini jeeps and a climbing wall, plus two bars, a selection of foods to tempt your palette and of course the scouts with their very popular BBQ. As you can see we have tried our best to cater for everyone, but if there is any thing you would like us to include next year please email miltonfayre@yahoo.co.uk or come and speak to us on the day, we will be easy to spot with our bright red T-shirts printed with 'Milton Summer Fayre Committee'.

We always need help on the day so if you can spare five minutes to help us sell some raffle tickets or programmes or help clear up after Fayre then please come and speak to one of the committee members.

We hope that you will all enjoy this years Fayre and we look forward to seeing you all on the day.

Cambridge Open Studios

This July there will be 149 artists studios open to the public in the Cambridge area. The two studios in Milton are both in Hall End, off Fen Road. They will be open on weekends 4 & 5th and 11 & 12th July, from 11am - 6pm.

Chris Thomas is a photographer specialising in photography through the microscope. His microscope and lots of things to look at will be at 3 Hall End. From postcards to large photographic prints, something for everyone!

Alison Hullyer is an illustrator and printmaker. She also works as a freelance card designer for Phoenix Trading. She will be showing drypoint prints depicting local riverside landscapes, images from the seaside, decorative seed heads and vibrant designs. She also has small oil paintings on paper and a wide selection of published cards and wrapping paper. Her studio is at Smallstone, Hall End.

Neighbourhood Watch

At present the Milton Parish Police liaison group are in the process of setting up a new **Milton Neighbourhood Watch Scheme**. We are planning on having a semi launch at the Milton Fair in July.

So what is Neighbourhood Watch? (in some areas known as Home Watch).

It is one of the biggest and most successful crime prevention schemes ever. It is based on simple ideas and values that are shared by many people around the country:

Getting together with your neighbours to reduce local crime and disorder in the bid to make your neighbourhood a safe and better place to live, work and play.

Neighbourhood Watch is not just about reducing crime - it is about building community spirit and good relations. It brings local people closer together with common goals; to tackle crime and disorder and to keep an eye on each other's property. There are also other benefits of joining a Neighbourhood Watch scheme. For example, you can learn more about crime prevention and home security which will help keep your home and belongings safe. You might also get a discount on your home insurance.

The aims of Neighbourhood Watch schemes are:

- To reduce the opportunities for crime and anti-social behaviour to occur in your neighbourhood by deterring would-be burglars and vandals.
- To build a community spirit so that all residents can contribute towards the protection of their property through co-operation and communication.

Members of Watch schemes are not vigilantes. Patrolling the streets is a job for the police; they will act upon the information supplied by residents. Watch schemes are not police-run groups. However, in order to be effective in tackling crime, Watch schemes have to work in partnership with the police (and other agencies).

By letting the police know of anything suspicious that you see or hear, you are helping to reduce the opportunities for crime to occur. The more difficult it can be made for the criminal, the more likely it is that crime can be reduced.

For further information please contact Ian Jones email: ian.jdl@tesco.net We also look forward to meeting you at the Milton Fayre.

MILTON W.I.

In March we had our AGM so we had one of our own members, Jan Chessum as our Speaker, she also happens to be the County Representative for the W.I. College called 'Denman' which is situated in the Oxfordshire village of Marcham. Jan gave a power point presentation of this beautiful college situated in 17 acres of beautiful gardens. It is called 'Denman' after the first national chairman of the W.I., Lady Denman, who was the founder of the Womens Land Army and also a supporter of the suffragette movement. She explained that there are Courses on a very wide range of subjects ranging from crafts of all kinds to computer Courses and walking, architecture and more. Around 500 Courses a year, also all rooms are en suite and you are pampered and the food is excellent. No good being on a diet.

Then in April in time for the start of the gardening season Peter Jackson from Scotsdales Garden Centre had everyone enthralled with all the wonderful plants he had brought along with him. He explained how we should look after a wide range of very differing plants and how easy or difficult it can be for us to either make them thrive or die. Some members realised that they should start to feed some of their poor suffering plants. We also learnt how to propagate certain plants and that we should also realise that some plants like acid soils and others prefer lime soil. Rhododendrons and azaleas prefer acid soils, but the growers are now grafting rhododendrons on to a root stock that will tolerate lime soil. This means that we can grow these type of rhododendrons in our gardens here in Milton. You have to look for 'INKARHO' on the label.

Peter was a very interesting speaker and told us some of the things he got up to in his kitchen when the 'Queen' was out.

In June our speaker will be Gerry Metcalfe speaking on Forensic Science (Questioned documents) which sounds extremely interesting. July our speaker will be Deana Hudson and the title of her talk is 'The Mistress, her Maid and the Men in their lives'. Intriguing!!!!

This year is the 90th anniversary of the formation of the County Federation so there are some special celebrations being arranged. On 25 July there will be a Hog Roast and Steel Band at Landbeach in the village hall and the recreation ground. Also in July there is a tour of Queens College, a visit to Wisley RHS gardens, a day school on Long and Short Stitch Embroidery and Beaded Blackberries, also our Darts final. In June there is our national AGM which this year is at the Royal Albert Hall in London. We have some very good speakers and also this is where we discuss and vote on our resolutions. This year there is just one Resolution, which is 'SOS for Honey bees'. As an organisation we have a lot of influence on government both here and in Europe when it comes to environmental issues. We were formed as a campaigning and educating organisation and we are still that today. We work closely with government on these issues but we are strictly 'non political'.

Contact Jan Chessum on 01223 560813 if you are interested in any of these.

Jan Chessum

Milton Day Centre

The Day Centre continues to flourish on Fridays, based at Barnabas Court and currently with a membership of nineteen. The members look forward to their "day out" when they can meet with friends over coffee, enjoy a home-cooked meal in company and take part in various activities in the afternoon. It is only with the help and generosity of the dedicated volunteers that this service for the elderly and infirm in the village is able to function.

We are particularly looking for more volunteer drivers to drive the community mini bus to transport members who live in the village, to and from their homes to Barnabas Court. At present we have 5 drivers who work on a rota system in the morning or the afternoon and it involves being available for about three quarters of an hour on Fridays from either 10.15 - 11.00am or 2.45 - 3.30pm. If you think you could help, please contact Pauline Waters on 860620 or Margaret Nunn on 860829 for more information.

We would also like to hear from anyone else with a few hours to spare, either morning or afternoon, who would go on the Friday rota to help out at Barnabas Court on a weekly, fortnightly, or monthly basis. It is very rewarding when you overhear a member say "Friday is the best day of the week!"

We concluded our April meeting with a BIG thank you for all Mary Daniels hard work and dedication to Milton W.I.

Mary was President for many many years!! Due to Mary's dedication and hard work the W.I. went from strength to strength. Mary is still a valued and active member of our W.I. Thank you Mary for your wonderful sense of humour and CAKES!!!

Cygnets Pre-School OFSTED

In March Cygnets Pre-School had it's latest OFSTED inspection. The inspection was carried out over 14 areas including 'Quality and Standards' and 'Leadership and Management'. Once again Cygnets was judged as 'good' throughout all areas. Part of the report read 'The setting works well in partnership with parents and carers to ensure children's individual needs are fully met. Parents speak highly of the setting, and the practitioners who ensure their child receives a good quality early years experience. Planning is based on children's interests and abilities, which ensures that every child is challenged and enjoys taking part. Practitioners use positive language to reinforce the rules of the setting and as a result children work harmoniously together'. Everyone involved with Cygnets is very proud of this report that reflects all of the hard work that is done.

Sadly Jackie Gray left Cygnets at Easter after 11 years having seen a huge number of village children come and go. Jackie was a great manager and will be missed by all. We wish her luck in her new venture.

Meeting with Tesco - report

A group of Parish Councillors and the County Councillor recently met with the manager of Tesco. This is a report of that meeting: "We were told they do check and repair the lights in the side passage regularly. They are not supposed to be on during the day. On the question of people preferring not to use that passage, the manager saw the path across the grass by The Rowans and said a bid for a grant to put in a path there could go in for the next bidding round. The manager agreed that the graffiti on the pillars should be removed, and also agreed to paint the pillars and soffit boards facing The Rowans, where the paint is flaking. They do litter pick it, and will try to improve the cleanliness. He has agreed to make sure their grounds maintenance contractor cuts back the shrubs off the road at The Rowans. They hope the new contractor this year will keep the grass cut better than was the case last year - they know it was unacceptable. Litter picking - the Environment Group did a litter pick at that end of the village on Saturday 21st Feb. Tesco will also try to smarten up the litter collection (especially bags caught in shrubs and trees, and the planting by the bus stop). We spent some time discussing the parent and child spaces and the disabled spaces. He agreed to look at paying more attention to enforcement (eg putting flyers or stickers on windscreens if people are parked in the wrong area). They do tolerate disabled people who cannot walk far parking in the parent and child spaces near the door, which is sensible. We saw the trolley park by the cash dispensers so full that parents and children would need to walk behind the parked cars, and he promised to do something to stop that - the trolleys should be behind the yellow plastic bump strip. The entrance to the store is soon going to have doors added - not on the sides where we walk in at present, but parallel to the screen at the front - so there will be an 'outside' covered lobby and an 'inside' covered lobby. People should still not be smoking in the 'outside' lobby. The aim is to reduce the heat lost by the doors being open all the time. Tesco are aiming to reduce their electricity bills by half, we were told. They have already fitted new efficient boilers last year. This month there is a planning application for a wind turbine on the left of the entrance, near the service road. The car parking layout is designed by a dept at Head Office and once laid out, is very difficult to change. Although the route one takes into the car park seems absurd it serves their purpose (making everyone drive twice past the petrol station). We talked about pedestrian and cycle access - they are not prepared to change anything, but we were told the zebra crossings are due to be repainted soon and the lights in the Belisha beacons are about to be repaired.

Issue for consultation

Left: is a plan for the path from The Rowans to the car park by the cash machines; this would be making a tarmacked path where there is a muddy track at the moment, which would be an alternative to using the side passage. It might involve steps.

What do local residents think about this suggestion?

From All Saints Church to Buckingham Palace...

All Saints Night Live on 25th April: A
Classical Concert with Professor David
Rowland.

Once again the people of Milton were
transfixed by a world class performance by
David Rowland, who delighted the
audience with renditions on the harpsichord
and brought the church alive with a brilliant
performance on the church organ.

Director of music of Christ's College and
also Head of Music and Art at the Open
University, David introduced each piece
with further insight that could only serve to
enhance the experience and make the
concert even more enjoyable.

During the interval he gave practical
demonstrations and explained the
intricacies of the harpsichord to those who
were interested.

As a matter of interest it transpired David
had also been director and conductor of the
National Youth of Wales Orchestra, where
he met the classical singer, Katherine
Jenkins.

His next performance after All Saints will
be at Buckingham Palace, where he will be
conducting an orchestra in a concert for the
Queen.

Funk at All Saints Live

On Saturday evening the 21st March the
people of Milton were entertained by funk
singer and song writer James Michael Darn
who gave a real driving music performance
of jazz and rock from Paul Simon to his
own compositions.

The Church was once again dressed to give
an atmospheric cafe environment.

Leprosy Mission

Thank you so much for the kind and
generous donations received from those
people who have the Leprosy Boxes in
their homes.

The collection for 2008 amounted to
£337.97.

Scrabble

I can't spell!! - the most common excuse
for not playing. Its a wonderful game and a
challenge to beat your opponent, especially
when you get a seven letter word and it
keeps the brain working. Where else can
you have a well spent evening with good
company, nibbles and a few prizes for 50p?
Held on the second Friday in the Church
Hall at 7.30pm.

Word Search Quiz Competition

A couple of issues ago, we tried a few Dingbats and it proved to be a popular puzzle. Unfortunately we omitted to give the answers and these are shown below. We will try a few more Dingbats for this issue and as always, the winners will be those who get most correct – or most ingenious solutions. Dingbats are a way of presenting common expressions in an unusual way.

For example REVILO would be Oliver Twist and WARDBUILTROBE would be Built in wardrobe.

See how many of these you can unscramble.

News from the Community Centre

The Centre continues to be busy, hosting a wide range of users including Children's Music and Dance, Tumbletots, Badminton (adult and junior), Yoga, Pilates, Tang Soo Do (Martial Arts), Radio Controlled Cars, Whist, Line Dancing, Over 60's, Slimming World, Latin Dancers, Indoor Bowls, Guides and Beavers) taking advantage of the facilities in the evenings and it is frequently booked for Children's parties at weekends.

The Annexe is in constant use, Monday to Friday, 7.00am to 6.00pm, by either Cygnets Pre-School or Kids-R-U's, with additional groups (Weight Watchers, Brownies, Guides and Beavers) taking advantage of the facilities in the evenings and it is frequently booked for Children's parties at weekends.

The Tennis Club is now using the courts for the summer, apart from Thursday evenings, when the netball summer league is played and Monday afternoons, when the popular Hi 5's junior netball takes place. The Midweek League football tournament is played on the 5-a-side court every Wednesday night.

The Youth Club, at the Sycamores Recreation Ground, takes place on a Tuesday and Wednesday evening during term time, with the occasional session during School Holidays.

The courts will be open as normal during the first four weeks of the School Summer Holidays, for free 5-a-side football and tennis (unsupervised) – just call into the office to obtain a key.

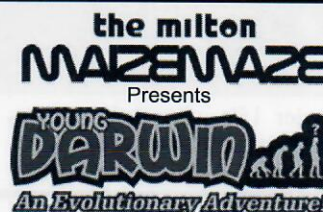

The Community Centre, Annexe and Youth Building are available for hire, at very reasonable rates, for Birthday Parties, Weddings, Social/Fund Raising etc. Enquiries, please ring Andy on 862763 or email, mcc@miltonvillage.org.uk.

Milton Colts Football Club Presentation Evening

Around 300 people attended our annual presentation evening on the 16th May 2009. This is a nice way for the club to finish off the season. The new Chairman of the Parish Council, Rob Chapman presented the awards to those present as his first formal duty as Chairman. After the presentation there was a disco and food was provided in a joint fund-raising venture by the Scouts - thanks to them for this service. *Ian May*

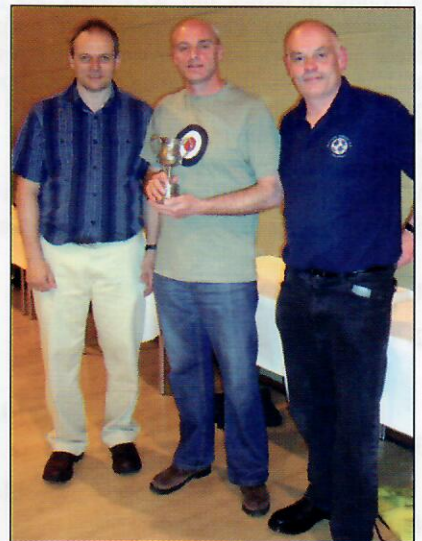

Congratulations to the under 12's as they went through the season unbeaten. They also won the Colts League Knock Out Cup. (Possibly the most successful team in Milton Colts history.)

Congratulations to the under 15's who were runners up in their league and have won promotion for next season.

Photo right: Paul Newton receives the John Coston Trophy in recognition of serving the club over many years. Initially Paul helped to run the girls team and in recent years has been managing the current under 16's boys. (In his spare time he still plays on a Saturday for one of the adult Milton football teams)

John Coston, Paul Newton, Ian May

Under 7's who play for the Rangers at Milton Primary School were presented with awards. These players will be playing against our youngest players (under 8's) next season.
