## Community Café

Milton Community Café is now a thriving monthly event in the Community Centre. Come along for conversation, games and a craft table on the fourth Tuesday of every month, 2.30pm to 4.30pm. We are open to all in Milton who would like a friendly place to come to once a month. Run by volunteers from your village. If you need help getting there, let us know (contact details below). All you need is £2: we provide the venue, tea/coffee/squash and biscuits/cake.

## Cambridge TV

Did you know we have a local TV channel here in Cambridge? Launched in 2015, Cambridge TV is the new Ofcom-licensed channel for Cambridge, on Freeview channel 8, Virgin Media channel 159 and online.

Their aim is to "[create] television that makes you think, highlighting the best in Cambridge arts, science, business and culture for bright, curious viewers locally and around the world."

They are also linked to Cambridge TV School, which runs "learning by doing" courses in TV production.

## End of the Village Website — Can You Help?

As you may have heard by now, we (Paul & Beth Oldham) will soon be leaving Milton after living here for almost 20 years. Now this leaves an interesting situation in that I've been largely managing the content on the village web site, along with Milton News and milton-chat, for a very long time and I now need to either pass it on or let it die.

So are you interested in taking it on? There are two skills you will need, and these could well come from more than one person working together:

1. being editor of Milton News - a lot of content now comes to me via email, I don't have to go hunting for it, but I do also read RSS feeds and Twitter accounts plus I have regular diary tasks like going to the Blood Donors web site and getting the next dates.
2. looking after the technical side - the site is (currently) built on our own CMS and relies on our own mailing software to send out Milton News. The former is likely to continue longer than the latter so at some point you would need to be able to replace it and in the long term you might want to replace both. There's also issues like the screen scraper that works out when the next SCDC bin collects is. So key skills here are PHP and bash.

The other issue is the milton-chat mailing list. If you're a subscriber you'll know that it works, but only because I occasionally put down my moderatorial foot. It may be that milton-chat is a casualty of this move; now that we've got the Milton Community Facebook group I don't think its loss would be so bad as it once would have been, but it does serve a different set of people and it does have 100% reach, unlike the group (thanks Facebook).

If milton-chat is to continue it needs someone to moderate it and I would also like it to find a new home as I'm intending to turn off our list server eventually.

So that's the challenge. If no one steps up then the site will cease to operate on 30th April, so if you are interested in taking it on then let me know: [webmaster@milton.org.uk](mailto:webmaster@milton.org.uk).

*Thanks. Paul Oldham*

## Litter Picking Haul

*Some of The Hauliers - Mike Harbour, John and Elaine Proctor, Anne and David Stirrups, Emma Harbour and Anna Bradnam.*

Many thanks to the village volunteers who helped out with the Litter Pick on 13 February and to Anne and David who did an early 'pick' in the north of the village the previous day. Despite the chilly weather, we had sunshine for most of the afternoon and between us managed to collect around 25 bags of rubbish. We were shocked at how much litter had been dropped in the area around Tesco, and under the Jane Coston Bridge.

Hazel and her team gathered a huge amount, which had been dropped by those crossing the bridge. I collected two full bags of rubbish and my first Litter Pick bicycle (!) from the Tesco shrubbery. Peter made a clean sweep of Cambridge Road. Anne, David, Elaine and John collected eight bags of rubbish from the bund, while Emma and Mike cleared the slip road to the A14. Thank you to everyone who took part.

## Wedding Venue in Milton!

Did you know that there is a licensed wedding venue in Milton? Or that you can be married there with all the trimmings and get change from £500? No? Here's a clue: it's in Church Lane!

All Saints' Church has been welcoming couples for their marriage service for hundreds of years, and is still gladly doing so today. You don't have to be a regular churchgoer to have your wedding at All Saints; anyone who lives in Milton, or who has a strong connection with the village, can (with certain rare exceptions) be married there. The church building, which seats up to 170, is warm and comfortable, and has modern facilities including loos, data projector and PA system.

David Chamberlin, Rector of Milton, writes: "Whether you want a Big Fat Milton Wedding, a Steampunk theme, the full Traditional English, or something low key and simple, we're really happy to chat through your ideas with you. While certain parts of the marriage service are required by law, and it is of course also a service of worship, you might be surprised at how much space there is for creativity and maybe doing something a bit different, so that your marriage service is truly personal to you. We would love to welcome you to All Saints for your wedding, whatever you've got in mind for your special day."

### CBS Branch to Close

As part of a programme to reduce the number of high street branches from 18 to 13 as Cambridge Building Society does more business online, the Milton branch in the High Street will close at the end of June.

There will be no planned redundancies, as staff are to be deployed elsewhere.

## Outstanding Activity Leader Nomination

Michelle Smith, who runs Creative Movements classes in Milton, has been nominated for an award for her work inspiring local children.

Michelle opened her Creative Movements franchise in Cambridge in 2013, offering dance, movement and story telling classes, and is currently running 8 weekly classes for ages 18 months to 8 years. Her holiday workshops are extremely popular and usually full to capacity.

Her classes are lively, educational and creative, encouraging children to harness their own creativity as a valuable resource to draw upon throughout their lives.

Voting for this award closes on 11 May. To vote for Michelle, please visit [www.whatson4littleones.co.uk/award-voting.asp](http://www.whatson4littleones.co.uk/award-voting.asp), under "Most Outstanding Activity Leader for the Under 5s - EAST". For more information about the classes, please visit [www.creativemovements.co.uk](http://www.creativemovements.co.uk).

## Register to Vote by 18th April

On 5th May, voters in South Cambridgeshire will go to the polls to elect parish councillors, 19 district councillors and Cambridgeshire's Police and Crime Commissioner, but they must be registered by 18 April to be able to cast their vote. Registering now for the elections in May will also mean voters are registered in good time before the referendum on the UK's membership of the European Union on 23 June.

You will need your National Insurance number to register. It's easy to register online or by phone, and only takes a few minutes – just visit [gov.uk/register-to-vote](http://gov.uk/register-to-vote) or call 03450 455 214.

## Animal Experience Days & Parties At CWA

Despite being a well-established land based further education college - offering courses in equine, animal management and veterinary nursing degrees - the CWA Cambridge Campus in Milton offers so much more than just an education.

Thinking of a quirky party idea for your little ones? Wondering how to spend the Easter holidays?

CWA Cambridge also offers children's party packages and animal experience days, giving you a chance to cuddle and feed a range of animals on our working farm.

These activities offer a chance to get up close with a range of farmyard and small animals including rabbits, goats, sheep, ferrets, tortoises, snakes, lizards, salamanders, millipedes, cockroaches, snails, chickens, ducks and much more!

Parties are fully supervised and comply with all relevant health and safety rules. The college can also offer room hire for party food (please provide your own catering).

You can find out more about the experience days and children's parties by visiting the campus' online store:

## Street Light Roadworks

Balfour Beatty will be working on street lights in Milton from Monday, 28th March and continuing for up to twenty days. The work will be on both sides of the road from the A10/A14 roundabout down into Milton, over the mini-roundabout and north past the both entrances into The Rowans and finishing just before the zebra crossing near the shops.

Traffic delays are inevitable, but the work is planned to be carried out between the hours of 09.30 and 15.30 each day.

## Race Night School Fundraiser

The MSA (Milton School Association) and Governors would like to say a huge "Thank you!" to Sally and Lawrence Champion at the Lion and Lamb for hosting a Race Night as a village fundraiser for the school, raising over £300 to help upgrade the IT equipment used by the children, so that the infrastructure and equipment is up to date and in working order. This will help them in many different areas of their learning.

All those who attended had a great evening. We would also like to take this opportunity to thank all the local businesses who sponsored the races: Chris Peters Design, Cambridge News, Joe McWilliams Gardening Services, 80th Atom, AG First Aid Training, Carter Jonas Bradshaws and the Lion & Lamb themselves.

## Station Delayed

Network Rail have announced that the new railway station between Milton and Chesterton will not open until May 2017. The £44m north city station was originally due to open in December 2015, but was put back to May and then to December 2016.

"We prefer to work towards a date we know we can achieve, rather than a date we don't know we can achieve," said Rob Fairhead, the project's sponsor.

"It is regrettable, but it's better to have an opening date we're certain about, rather than trying to have an opening date we try and fail to meet."

## Thanks for the Stamps!

## Milton Country Park Update

Last autumn, we conducted a user survey and a needs analysis of our disabled visitors, to help us better understand how people use and feel about the park. It's been heartening to read the many positive comments, but more importantly it has helped us to highlight our most pressing issues and build on possible solutions.

As most of you will be aware, the park is managed by Cambridge Sport Lakes Trust, a registered charity, which is now entering its ninth year at the park. The Trust receives no regular funding and relies on the support of its users, through the car park, donations and facilities hire to cover costs. Visitor numbers grow year-on-year and the park is thriving in terms of footfall and activities. This is to be celebrated, but increased visitor numbers have an inevitable impact on the wear and tear of the park's surfaces and structures, many of which are original and date back to when the park was opened in 1993. Bridges and footpaths now require costly work to bring them to the standard we would like, and the surveys conducted last year have helped us put together a case for funding. We now have 2 applications in the final stages of consideration, which could have a significant impact on the work we can achieve.

Thank you to everyone who gave their feedback and offered support for our funding bids.

In the meantime, we are planning an exciting programme of events, starting with a **Spring Fayre** on the weekend of April 2<sup>nd</sup> and 3<sup>rd</sup>. The fayre is organised by Battenberg Events, who host the popular Frost Fair at Hatfield House, and will feature country activities, garden plants, furniture and accessories, crafts, gifts and fine foods. Tickets cost £5 for adults (children and parking are free) and can be bought on the door or in advance online at:

[www.miltoncountryparkspringfayre.co.uk](http://www.miltoncountryparkspringfayre.co.uk)

To keep the kids busy over the **Easter holidays**, we have two days of adventure on Monday 4<sup>th</sup> and Tuesday 5<sup>th</sup> April. Perfect for **budding explorers** aged 5-12 who love the outdoors and want to learn bush craft and survival skills such as shelter building, tracking and making simple tools. A day session costs £10 and tickets can be booked through

[www.sports-xtra.com](http://www.sports-xtra.com)

Don't forget our annual **'Wookiee Walk'**, a popular Star Wars themed sponsored walk where you can help raise money for homeless people in Cambridge. Organised by Wintercomfort the walk takes place on Bank Holiday Monday 2<sup>nd</sup> May at 10am.

Save the date for these events coming later in the year: **Parklife** on Sunday 17<sup>th</sup> July and the **Autumn Festival** on Sunday 25<sup>th</sup> September.

Please see our events and regular activities pages at [www.miltoncountrypark.org.uk](http://www.miltoncountrypark.org.uk) and we look forward to seeing you soon!

Sarah Harris

## Milton WI

In January, Ellee Seymour gave us a fascinating insight into an exclusive 1950s department store in Cambridge called Heyworths, situated in its final years in Sidney Street. We learnt of the glamour and trade, as well as personal stories of some of the girls who worked there. In February, we were delighted to welcome Sophie, a cocker spaniel and a Hearing Dog for Deaf People. She came along with Pam Harper, who explained the work of the organisation and the dogs that give companionship and independence to deaf people.

Our MayB's and MightB's darts teams have had several matches against other local institutes thoroughly enjoying the competitive fun and friendship. Our monthly board games afternoons have increasing members attending, and again are being thoroughly enjoyed.

We have a varied programme for the forthcoming months, including hearing about the Work of Camsight, Sian Fox's Career as a Home Economist and Help the Heroes.

New WI members are always welcome, and anyone can come along for a taster. Contact our President Gill Offley (01223 293231) or Secretary Bridget Crow (01223 441755) for further details, or just come along. Meetings are on the third Tuesday of each month at 7.30pm in the Church Hall.

## Parish Chairman Update

### Parish Precept

We are pleased to say that we have not increased our precept requirements this year.

### Allotments

At present we have 3 allotments for rent.

### Cemetery

We have been clearing away items at the cemetery in an effort to keep it as pleasant as we can for all.

### Play equipment

A working party is reviewing the provision of play equipment in the village and has started to plan to improve the play area next to the Community Centre as their first project. There will be a formal consultation with drawings once initial ideas have been costed.

### Milton Interchange closure

We requested that whilst the road is closed for street light replacement that the road markings are redone at the same time to save having to have the interchange closed again in the future. We were disappointed to hear that this would not be possible as there was not enough time to co-ordinate this work.

### Parking issues

We have been contacted by various people about inconsiderate parking throughout the village and in particular in the area of the school and at junctions.

We have contacted the local PCSO and asked for more to be done to deter people who are causing a nuisance and a danger to other people. We have also written to the Police Commissioner asking how priorities are agreed. We have been advised that residents should note the details of any cars that consistently park dangerously and pass these on to the police.

### Annual Parish Meeting

You are warmly invited to attend our Annual Parish Meeting on the 16<sup>th</sup> May 2016 at 7.30pm in the Bowls Pavilion in Coles Road, Milton.

### Would you like to volunteer?

We are still looking for more volunteers to join us on the parish council. If you would like to get involved please contact the clerk.

## Milton Mothers' Union

At the time of writing, the MU Lent lunches are in full swing. They have proved to be very successful, with excellent speakers that focus our thoughts upon those people who might have gathered at the foot of the cross on Good Friday. Attendance has been high, but somehow there is always enough food to go around, with the menu including nutritious soups and interesting salads. It's definitely been a worthwhile event to organise and afterwards we are hoping to send a sizeable amount of money to MU for the Lenten Appeal. I am confident that the lunches will continue for many years, so if you didn't make it this year do think seriously about coming along in 2017.

Forthcoming events include a service in the church hall to mark Lady Day on Monday 4<sup>th</sup> April at 7.30pm. This is a special day for all MU members as we remember the Annunciation and Mary learning that she was to give birth to Jesus. On Tuesday 3<sup>rd</sup> May we will be welcoming Maureen Haigh to our meeting. She will be speaking about "Action and Outreach" and the different projects that MU members undertake both locally and further afield to support family life in all its forms. On Tuesday 7<sup>th</sup> June Hilary Street, an MU member from Stapleford, will speak about the life and work of John and Charles Wesley. This year the Mothers' Union celebrates its 140<sup>th</sup> anniversary: it was founded in 1876 by Mary Sumner, who was inspired to start the movement after the birth of her first grandchild. Remembering her own difficulties when she was first a mother, she wanted to bring mothers of all social classes together through prayer, fellowship and teaching. She valued family life and believed that motherhood was a vocation. During the week of 20<sup>th</sup> June we will be holding several events to mark our special anniversary. More details of these will be available in the next copy of the *Village View*.

## Cygnets Milton Pre-school Needs You!

The Cygnets Milton Pre-School is seeking volunteer committee members (trustees) to join our team. Whilst the pre-school manager is in charge of the day-to-day running of Cygnets, the trustees are in charge of running the charity. The trustees are jointly responsible for both the effective running of the charity and act as the registered person for Ofsted, thus have a range of roles and responsibilities. We are now looking for help with the following roles:

**Chair:** overall management responsibility of committee; Ofsted contact; chair meetings

**Secretary:** take committee meeting minutes

**Committee members:** attending meetings; help out where required

The support you can provide as a trustee is extremely important to us and we value the contribution. Volunteering is a responsibility, but is also about community spirit, making friends, gaining new skills and making a difference.

*If you are planning to send your child to Cygnets, your help is very important: without these roles, the Pre-school cannot open!*

If you would like more information, please call 01223 712286 or email [chair.cygnets@gmail.com](mailto:chair.cygnets@gmail.com)

## Milton Primary School Needs You!

### Calling All Gardeners!!

Milton Primary School needs your help! Can you spare some time to help in our gardens? It could be every week or just a one-off visit; as long or as short as you like. Any help would be really appreciated: please call 01223 508783 or email [office@milton.cambs.sch.uk](mailto:office@milton.cambs.sch.uk)

### Allotment Greenhouse

We seem to have survived a series of hurricanes this year, but our allotment greenhouse has suffered in the winds and is in need of repair. Please could you bring in any washed litre plastic bottles so we can start our re-build? Please bring them to the office.

### Book Donation Request

We are happy to take in non fiction and fiction books for our library. If you have any good quality books at home that you have finished with, please bring them to school and take them to the library.

*With us...it's personal*

## White Horse

Tel: 01223 860327

The White Horse is a family and dog friendly pub. All six hand pumps serving real ale with a variety of good wines to enjoy with or without a meal. Our specials board for food is always new and different dishes are cooked by our chefs. We have a large car park and a lovely garden with a play area for children.

Every Thursday at 9pm is Quiz Night with a prize for the winners! We have karaoke the first Friday of every month, and have bands (keep an eye on the boards outside advertising them). We have a games room which includes pool, bar billiards, darts and a jukebox. Open all day Sunday for food from 12-8:30pm and we have all new furniture behind the fire. We are celebrating our 10th anniversary by holding a summer beer festival at the beginning of July so look out for the confirmed dates.

We are happy to cater for occasions such as weddings, christenings, birthdays and wakes, we also have Fathers Day coming up so don't forget to book your table. Next Special night for your diary will be a West Indian food night later in April. If you would like any other information please call us or message our Facebook page "The White Horse Milton".

Many thanks,

## Wildlife Notes

The cold February seems to have aided the blackthorn to stay in flower for well over a month, so it probably became seasonably correct after starting to flower at New Year. By early March the flowers were going over and leaves were starting to appear.

I've seen very few birds that I'd expect to see in Winter. Presumably with the mild weather up until about the end of January they just never needed to come this far south or west? Even though we've now had some very cold weather, it doesn't feel as if it's ever lasted long enough in one chunk to really bite. A short walk in the Country Park on 13<sup>th</sup> March showed that although there were still a few gadwall and tufted ducks around, it was more like a spring scene, with five great crested grebes looking magnificent in full breeding plumage. A pair of bullfinches were also pecking at buds.

The generally mild winter has meant that, with several different varieties of snowdrop and daffodil in my garden, I've had a near-constant display of flowers since Christmas. Real signs of spring are now evident. I thought I very faintly heard the yellowhammer, who is still hanging on out on Milton Fen, on 15<sup>th</sup> February. I heard him loud and clear on the 23<sup>rd</sup>. And on 6<sup>th</sup> March a bumblebee was feeding on some hellebore flowers - they've been in full flower since Christmas too. The great spotted woodpeckers in the Country Park are drumming and there's a real dawn chorus, although on a sunny day, the birds seem to sing all day. I won't complain about the song thrush at 5am as it's a privilege to hear one at all.

I'm now getting regular activity at my hedgehog feeding station - first sighting was 21<sup>st</sup> February. So every evening I make sure the food and water are topped up. I've also checked that the hedgehog entrances to the garden are clear so they can get at this important supplement to their diet. At this time of year, there may not be that much natural food around as it's still pretty chilly, and they can lose weight and end up in serious trouble quickly. A reminder that the more gardens hedgehogs can get into, the greater the chance there is of them finding plenty of natural food. A CD-sized hole at the bottom of a fence or gate is quite sufficient to allow this popular mammal to roam freely in your garden too, but please don't put down slug pellets which will poison them.

## Behind the Scenes: Ice Spikes

During the very cold February of 2012, when temperatures at night fell below  $-5^{\circ}\text{C}$ , the birdbath in our garden froze, with two triangles of ice on the surface:

How did these "ice spikes" occur? A 'Weather Eye' article in *The Times* provided the answer. When ice freezes it expands by 8%. During the freezing of the surface of the water, ice forms inwards from the edge to leave small holes in the ice. Ice forming below these holes pushes up into hollow spikes of ice like a straw, which get bigger as more ice freezes onto them.

You could try making them yourself by placing an open shallow bowl of water in the freezer. A magnificent time-lapse footage of an ice spike forming in an ice-cube tray can be seen at [bit.ly/1POjtLy](http://bit.ly/1POjtLy)
