## EACH Gala Day: 22nd June

On the 22nd June, East Anglia's Children's Hospices will once again be holding our annual Gala Day in the grounds of Milton Hall.

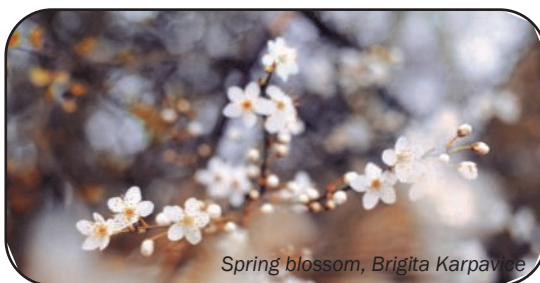

The day will run from 11:30am - 4pm with a wonderful range of entertainment, food, drinks and stalls.

This is a great chance for the whole family to enjoy a (hopefully sunny!) day out, raising money and celebrating the work of EACH.

We will also need volunteers to help at this event, with a range of different things such as running games, stalls selling raffle tickets, helping on the entrance and much more! If you are interested, please contact Ellen Bing:

## Waterbeach Theatre Company: Hi-de-Hi!

WTC's next production is Hi-de-Hi, based on the classic TV series by Jimmy Perry & David Croft, adapted for the stage by Paul Carpenter & Ian Gower, and will be directed by Julie Petrucci.

We look forward to welcoming you to Maplin's Hawaiian Ballroom.

It's the start of a new season, and founder Joe Maplin announces that he is setting up a camp in the Bahamas and needs female Yellowcoats to go and work there. The annual "Miss Yellowcoat" competition will decide who. Imagine the rivalry! Camp cleaner Peggy, meanwhile, is thrilled at the prospect of a vacancy for a new Yellowcoat and convinces Entertainment Manager Jeffrey that she is the ideal candidate for the job. Ted is forced to employ numerous money-making schemes when his ex-wife turns up at the camp with a bailiff in tow and Yvonne and Barry Stuart-Hargreaves send the rumour mill into its usual overdrive when Gladys is overheard escorting Jeffrey into his chalet late one evening.

**Hi-de-Hi** is at Waterbeach School **15 to 18 May**. Tickets are available in advance from 01223 880023, or choose your own seats by booking online at [www.ticketsource.co.uk/wcp](http://www.ticketsource.co.uk/wcp). Online bookings carry a small per-transaction charge.

After Hi-de-Hi, auditions will be held for our November production which is

***The Diary of Anne Frank*. AUDITIONS: Monday 3 June Performances: 6 - 9 November.**

ADVANCE NOTICE: our pantomime in January 2020 will be **SNOW WHITE**.

You can find out all about WTC by visiting our website [www.wtconline.org.uk](http://www.wtconline.org.uk)

### Valentine's Day Skywriting

Miltonians had a Valentine's Day treat above their heads this year, as an aircraft painted hearts and a smiling face in the skies, to many people's delight. These photos were captured by Elizabeth Cook.

### Snowy Day at Toddler Group

At the start of February, the "Little Rainbows" toddler group enjoyed playing with fake snow in the church hall. Of course, that turned out to be the day that real snow fell outside!

## Baby Boom in Milton

In 1993 there were 78 babies born in the village and the birth rate does appear to be rising. Whether this is a temporary blip or a longer lasting trend remains to be seen. [...]

In the early 1980s, around 16 children a year were born in Milton. [...] A thousand homes have been built in Milton since 1984, with the total population rising from 1,700 to 4,000, so some growth in the numbers of children born could have been expected. [...]

The main reason for this is an influx of young couples into the village. The 1981 census recorded 380 people aged 20-34; the 1991 census recorded 1,405.

## Survey on South Cambs Policing

We would like to know your thoughts on policing in South Cambridgeshire. Please help us shape the way we do things by completing the survey via the link below.

[www.surveymonkey.co.uk/r/SouthCambsSpring2019](http://www.surveymonkey.co.uk/r/SouthCambsSpring2019)

It takes on average 6 minutes and it will provide us with a framework to ensure that we are fully sighted on what our communities want.

## Police: Lost Property Changes

We've joined police forces nationwide by ceasing to take reports of lost property and accepting only certain types of found item.

The changes took effect nationally from 1st February after the Chief Constables' Council agreed it as a way of reducing non-essential demand and the associated costs and bureaucracy generated for call centres and front counters. The police service has traditionally accepted the responsibility of recording lost and found property, despite there being no statutory duty to maintain a system of recording non-evidential property. Found items dealt with by police have reduced and a consistent approach adopted across the country. This will help reduce call volumes and remove an unnecessary burden on policing.

If you have lost or found an item, visit the website ([www.cambs.police.uk/information-and-services/Property-and-animals/Lost-and-found](http://www.cambs.police.uk/information-and-services/Property-and-animals/Lost-and-found)) for guidance on what to do.

## Police Volunteers

There is no doubt that the residents know their communities best.

- \* You know the cheeky children that might need a word in their parent's ear.
- \* You know the old boy that leaves the pub car park after having one too many to drive. You know the publican that serves him every night and watches him drive off.
- \* You know the couple that have regular disagreements which can sometimes turn violent.

You are often able to make the links and spots the trends a lot earlier than we can because you are well informed. For those of you that would like more detailed information and are willing to act as ambassadors for your villages, I invite you to apply to become a Police Support Volunteer. We are looking to recruit volunteers to be based at Sawston, Histon and Cambourne police station to work alongside our neighbourhood team officers. We are looking for people with :

A genuine interest in policing local communities ★ Excellent communication skills  
Excellent social media skills ★ The ability to disseminate information accurately  
Ability to work as part of a team ★ Confidentiality ★ Diligence

If you are genuinely interested in this role please register your interest by contacting [psv@cambs.pnn.police.uk](mailto:psv@cambs.pnn.police.uk), quoting reference PSVECOPS. Full training and ongoing support will be provided. All applicants will be required to complete security vetting procedures.

## ARHC Christmas Tree Recycling Scheme

Over one hundred volunteers helped Arthur Rank Hospice Charity (ARHC) collect 1860 pre-loved Christmas trees in January, raising £26,500!

The Christmas tree recycling and fundraising initiative has grown quickly since it was first launched by the Hospice's fundraising team in 2016, when it raised £3500. Last year the scheme raised £12,600 with 1000 trees collected. This year registrations from postcodes CB1-5, and CB22-24 ballooned to 1860 by the time registrations closed.

Community Fundraiser Bec Beattie explains what happened next: "We quickly realised that we would need to increase number of helpers we had on board, so we put out an appeal and doubled the number of people and vans on our volunteer collection team within two days!! Thanks to them generously giving up their time, we were able to complete our 'treasure hunt' for Christmas trees."

90% of the funds raised will help fund ARHC's care to those living with a life-limiting illness in Cambridgeshire, with 10% donated to a local cause nominated by those who volunteered to help with the tree collection.

ARHC thanks every single one of the volunteers and local companies involved in the collection scheme and its promotion; as well as Amey Cespa at Waterbeach and Cambridge City Council for their support in recycling the trees.

If you would like to volunteer for or sponsor the Hospice's next Christmas tree recycling scheme, please email [bec.beattie@arhc.org.uk](mailto:bec.beattie@arhc.org.uk) or call 01223 675885.

## Chairman's Report – Milton Parish Council

### A10 Footbridge Questionnaire

Thank you to everyone who responded to our questionnaire in the Village View. 70 responses were received, both on paper and by email; 48 for no change, 21 to prohibit cycling more forcefully, 1 abstain. A similar result was received from an unofficial poll on the Milton Facebook page. After careful consideration, council voted to take no further action.

Additionally the County Council has confirmed that the bridge still has the legal status of a footway and does not require a legal TRO cyclist prohibition order and signs.

### Visual Improvements

A small group of councillors are investigating a range of ideas for visual improvements in the village which would utilize funds given to the council for this purpose. Ideas that are being discussed include replacing the signs at the entrances to the village with more artistic signs, the addition of Christmas lights and tree on the green area around the village sign and also on the green at the entrance to the Rowans, along with other improvements.

### Internal Auditor

We are really pleased to have received an excellent report from our Internal Auditor who checks our processes and that we are managing the council correctly.

## Milton WI

In April we will be welcoming Tracy Mackness, an interesting lady who will be talking about her life and the formation of the Giggly Pig Company that she set up after learning how to farm and look after pigs whilst serving a prison sentence. She went on to form this very successful company.

Upcoming meetings will also include Mr Potts, from whom we will be learning about furniture restoration, care and repair. We will then be into the summer months and we will be having an appropriate flower arranging demonstration.

This year will see the 100th Anniversary of the Cambridge Federation and celebratory events are being planned by them. We hope to take part in one or two of these and several of our members will be attending an Anniversary Dinner at Girton College.

New members welcome. Contact Gill Offley (01223 293231) – President, or Bridget Crow (01223 441755) – Secretary, for further details, or just come along. Meetings are on the third Tuesday of each month at 7.30pm in the Church Hall.

## EACH News

Last December, EACH welcomed our local supporters to All Saints' Church for our annual carol service, just across the road from the hospice! We enjoyed fantastic performances by the SOS Choir and Milton Road Primary School and we were delighted to see so many people come together to celebrate our work over the last year. On the night we raised an amazing £1,071.82 – thank you to everyone who donated and came along on the night to show your support for EACH. Your continued support allows us to care for children and families across East Anglia.

This year, the EACH Milton Hospice will be celebrating its 30th Anniversary! Over the past 30 years Milton has shown an amazing level of dedicated support which we are thoroughly grateful for. So we hope that you will join us this year in celebrating the Milton Hospice's anniversary by fundraising for us! You could save £30 in 30 days, donate 30 items to one of our charity shop or complete a 30k challenge by either running, walking, cycling or swimming!

## Ballerina Classes for 2-4 year olds

## Wildlife Notes

The RSPB had a poll a few years ago which concluded that the hedgehog is Britain's favourite mammal. Sadly I conclude that in the area of Milton bordering the northern end of the Country Park, Britain's favourite mammal is now extinct. After the very mild weather we had in February, I was putting food out from mid-February, expecting them to come out of hibernation early this year; they normally become active in the last week of February. Unlike a colleague in another village who has had hedgehogs visiting her feeding station nightly for several weeks, my food station alarm hasn't fired and the food isn't going. Has a popular overgrown area used for daytime shelter been utterly cleared? Have fences been replaced with barriers that have no gaps at the bottom so hedgehogs cannot get through, cutting them off from part of their territory? Is there a new pond or pool somewhere which they cannot escape from if they fall in? Has poison been used against something, and they have become collateral damage? The People's Trust for Endangered Species in collaboration with Suffolk Wildlife Trust have written a very useful short leaflet on how to make sure householders are a help not hindrance to these harmless funny creatures: [www.hedgehogstreet.org/wp-content/uploads/2019/01/HEMP.pdf](http://www.hedgehogstreet.org/wp-content/uploads/2019/01/HEMP.pdf). I'm sure hedgehogs will recolonise the area from other parts of the village, provided that conditions improve, but we have to hope all hedgehogs which are in Milton have a successful breeding season, so all of Milton can have a healthy population of them.

A good number of birds are visiting the garden, plus the black squirrel is now an established regular. More unusual visitors are a moorhen, which seems to come to peck around daily, and inspect our quite small pond, and we recently had a visit from a male pheasant, quite resplendent in his breeding plumage. Nice to see one at such close quarters; they look very large indeed when in a small garden rather than a hundred yards away across the fields on Milton Fen.

The willows by the river seem to be coming into leaf somewhat earlier than previous years, possibly as February was so warm. However I think the blackthorn has flowered at roughly the same time as other years, bar last year, when perhaps the Beast from the East stalled it. Since it came into flower, the mild weather ceased and we seem to have had a "blackthorn winter" of cold, rain and gales!

## College of West Anglia Rated 'Good' by Ofsted

The College of West Anglia (CWA) has received a 'good' rating by Ofsted, the government's inspection body for schools and colleges. The college's Cambridge campus, which is located in Milton, offers land-based programmes, such as agriculture, animal management and equine courses.

At the end of a 4-day inspection in January, a team of inspectors judged CWA to be good across all eight areas of inspection: effectiveness of leadership & management; quality of teaching, learning & assessment; personal development, behaviour & welfare; outcomes for learners; 16 to 19 study programmes; adult learning programmes; apprenticeships; and provision for learners with high needs.

Principal David Pomfret said: "I am delighted with this outcome. Since the last inspection two years ago, staff, governors and management have worked hard to deliver improvements in a number of areas and Ofsted's findings are a resounding endorsement of the progress we have made. I am sure that parents, students and employers will be reassured and encouraged by Ofsted's recognition of the inclusive and supportive culture at CWA and by the description of the college as a welcoming and friendly place to study, where learners feel safe, are well behaved and motivated, have high attendance and develop substantial new skills that they will need for their future. Inspectors also noted how well the excellent industrial knowledge and skills of our staff prepares students and apprentices for the workplace, and how the vast majority of our learners progress into employment, apprenticeships or higher education."

The inspection report noted that 'students and apprentices enjoy coming to college and many describe the welcoming, inclusive and supportive college environment as being like a big family in which they feel safe and develop a wide range of new skills and knowledge.'
