## EACH Gala Day, 16th June, Milton Hall

This year's East Anglia's Children's Hospices' annual Gala Day will be held on the 16th June in the grounds of Milton Hall. The day will run from 11:30am – 5pm with a wonderful range of entertainment, food, drinks and stalls. This is a great chance for the whole family to enjoy a (hopefully sunny!) day out, raising money and celebrating the work of EACH.

We will also need volunteers to help at this event, serving cream teas, running stalls, and much more! If you are interested please contact Ellen Bing - [ellen.bing@each.org.uk](mailto:ellen.bing@each.org.uk) or 01223 204 916.

Ekisa UK is a village-run charity supporting the work of Miltonian Emily Henderson. Ekisa supports children with special needs in Jinga, Uganda. They believe all children should grow up in a loving family environment, so they support families to care for their children with special needs at home through their community care programme.

Ekisa has also established a school for special needs children and, for those children who can't be cared for by family members, they have a residential home.

Ekisa UK is run entirely by volunteers and all funds raised are sent to support the work in Uganda. We aim to organise a variety of different fun, social, community events that can be enjoyed by everyone.

All Saints' Church will be hosting Alpha this autumn, starting Monday 10th September. Alpha is a ten-week introduction to the Christian faith, and offers the opportunity to explore life's big questions in an informal, non-judgemental setting.

Participants can ask anything - no question or comment is too simple or too controversial! To discover more about Alpha, visit [alpha.org](http://alpha.org). To register your interest in trying Alpha in Milton, email [office@allsaintsmilton.org.uk](mailto:office@allsaintsmilton.org.uk) or call 01223 441007. ### Services, Dancing & Singing

Landbeach and Milton Baptist Church holds **Sunday Morning Services** at 10.30am, to which all are welcome.

We would welcome new members to our **Line Dancing** sessions on Tuesdays at 6 30pm. at Landbeach Baptist Church, High street Landbeach, and also to the **Sing to Remember** group on Thursday mornings at 10.45am, also on the premises. This is mainly for people with slight memory loss and their carers but anyone who enjoys singing is welcome. We also need a few more helpers to take turns making the tea etc. We sing all kinds of songs under the leadership of a talented musician, and have a lot of fun.

## Marjorie Mallon: Milton Author

I'd love to introduce you to my debut novel for young adults and older adults who like to stay young!

Fifteen-year-old Amelina Scott lives in Cambridge with her dysfunctional family, a mysterious black cat, and an unusual girl who's imprisoned within the mirrors in her house.

The novel features the Corpus Christi Chronopage clock on King's Parade designed by the world-renowned inventor Dr John C Taylor OBE, who I had the pleasure of meeting in September 2017.

Reviewers have described **The Curse of Time Book 1 - Bloodstone** as: *highly readable, unique, imaginative, uses crystals, myths and folklore in such an interesting way, inspired by fairy-tales, though in quite a twisted way, a brilliant book for young adults interested in magic, supernatural, paranormal, fantasy and myth.*

It is the first in a series with more adventures and mysteries to come...

## New Venue for The Mother Side

Calling all mums, mums-to-be, carers & families: The Mother Side Cambridge Meet up is back from 10.30-12.30 on 12th June with a BRAND NEW VENUE - All Saints' Church Hall!!!!

Come along for an informal chat over tea and coffee with other local parents and parents-to-be to talk all things parenthood, listen to guest speakers & enjoy monthly baby wearing/infant first aid/infant feeding information support sessions! Bumps, babies and toddlers welcome: after all, they help us learn; they are the real experts!

There will also be fun for your little ones including Sensory play, Sing Alongs & Water Play.

Our new location does ask for a small donation; they suggest £1, but whatever you can spare goes back to the church and is gratefully appreciated.

We look forward to seeing you there!

## The Payphone is Back!

The public telephone on Coles Road has been reinstated, although apparently not yet connected. The new phone is a cashless phone but will allow 999 calls without charge.

BT have variously claimed that the telephone box is not up for adoption and then that it is up for adoption by charities or local government, but the Parish Council have pressed for it to remain in active service.

## District Council Results

In the recent South Cambs District Council election, Anna Bradnam, Hazel Smith and Judith Rippeth were elected as our District Councillors for the next term. All three councillors represent the Liberal Democrats. Particular congratulations to Hazel and Anna, who have both served Milton for many years already.

Congratulations also to Milton's Eleanor Crane (Green Party) who received the most votes for her party in this election.

# From the Archives

*25 Years Ago: Jun '93*

At last the 85 acres of Milton Country Park with over two miles of winding footpaths is officially open.

The park, which has been planned for over 20 years was originally gravel pits which were excavated between 1930 and 1960. During this time the site revealed some interesting evidence of earlier inhabitants, possibly Romano British settles and included skeletons, beads and domestic pottery.

## Milton School – 60 years in Butt Lane

Milton Church of England Primary School opened in Butt Lane in September 1958, 60 years ago this year, after being in Fen Road since 1836.

To commemorate these 60 years, I am writing a brief history of the school, both in Fen Road and Butt Lane. I am working with the school, where I have located a few historic documents and photographs and with the Milton Local History Group, where we plan to display these items at a meeting of the group in September.

Did you know that in 1957, the year before the School moved, there were only 44 children on the register, or that today amongst the 400 children, there are 36 languages spoken!

Please contact me if you have any memories, photos or artefacts that you want to share with me.

I can be contacted via email at [andrewlatchem@yahoo.co.uk](mailto:andrewlatchem@yahoo.co.uk) or by telephone on 01223 440642.

## Milton WI

Before the August break, our speakers will include Amanda Sutherland who will be sharing her life story "From Costumier to Running an Accessories Empire". Amanda has had an exciting career in film, television and theatre costume design, and her talk in June will include insights into running her business along with some amusing tales. Geoff Evans' talk in July on "Alaska - Bears, Bears and More Bears" promises to be an interesting evening.

As well as our usual monthly meetings, we have had some very enjoyable strolls, and a few of our members enjoyed an exciting Federation trip to London to see "42nd Street" starring Lulu.

The White Horse will be having a Summer Garden Party again this year on 7<sup>th</sup> July. Together with serving cups of tea and coffee, the WI will be having a home produce (cakes, savouries etc) and bottle stall. The event has increased in popularity each year and will be a fun afternoon for all. Meetings are on the third Tuesday of each month in the Church Hall and new members are welcome. Contact our President Gill Offley (01223 293231) or Secretary Bridget Crow (01223 441755) for further details, or just come along for a taster session.

## More on the "Red Cross Photo"

Here are some additional comments on the photo shown in the past two *Village Views*!

Elizabeth and I agreed that the Polish lad front left is "Swavek Deragovski": that is how his name was pronounced. His family lived where Roger and Judith Lemon live. Elizabeth also said that Judith Matthews (now Ostler and lives in Landbeach Road) is at the front next to Marlene Hall (as Brian Wilkin said).

Interesting snapshot of the size of the village - Bene't Close, Cambridge Road, High Street, Butt Lane and Fen Road. There were just two other roads at that time: Church Lane and Landbeach Road both with few houses/cottages.

*Jim Daniels*

## Coulson Close Name?

*"Can you advise please why the road Coulson Close was named. I was born in Milton at Byhill Close, Fen Road or No 43 as I believe it is now numbered. My father was called Lesley Coulson and was the Parish Clerk until he moved away in 1960, and his father was called Isaac." - Andrew Coulson*

Derek Booth gives a history of street names on the Parish council website: [www.miltonvillage.org.uk/a-history-of-the-road-names-in-milton](http://www.miltonvillage.org.uk/a-history-of-the-road-names-in-milton) but the information about Coulson Close is brief.

The Parish Council named Coulson Close specifically after Jim Coulson, a market gardener who had a stall on Cambridge market. He lived in the Green House in Butt Lane, since demolished, on the opposite side to Coulson Close. He lived to be 100 and Beryl Waterson took him a bottle of whisky from the Parish Council on his birthday. That would be in the 1980's.

## Wildlife Notes

It feels, after the awful cold March we had, that spring is rather late. Looking at my rather unscientific notes on arrival of migrating birds (as I'm the only observer in my notes, and I have to be in the right place at the right time, the chances of missing things are quite high) over the last few years, the swallows arrived roughly the same day as in 2016 and 2017 and I saw the common terns over the river the same time as last year, but earlier than in 2016. I've first heard swifts on roughly the same day in early May, and a few housemartins have also started to be seen at around the same time each year. However, it does feel that so far, as I write this on 10th May, that there are fewer of each of these birds than I've seen other years up to this point, and my sightings of the terns over the river have been very intermittent.

The hawthorn, or May as some call it, actually started to break buds on May Day. There have been years when it's been in flower from mid-April around Milton and along the river and Cowley Road, but I think those years are the exceptions. I've not yet seen many bats in my garden but I cycled home along the river on the 18th April at dusk, and there were bats out feeding all the way from the Long Reach to the Milton Fen Road.

The hedgehogs have also been out and about since mid-March, so very shortly after 'the beast from the east'. I'm not sure how much natural food would have been around so soon after such cold weather, so those of us putting out supplementary food were probably more helpful than ever. Since then, there have been several fights at my feeding station. Unlike in many areas of the country, where people are reporting that they've seen no hedgehogs at all, at least on the western edge of Milton, near to the Country Park, we do still seem to have a population. Hopefully of both sexes! If every garden is as hospitable as possible with overgrown areas and no poisonous slug pellets or other hazards, and linked to all the other gardens by small holes or gaps in fences and walls, maybe we'll stay as an island where this endangered species can thrive.
