Hello from the Editors!

Welcome to our second issue of the Milton Village View magazine. For those awaiting an update to the village directory this will be included in the next issue. Please get in touch if you have a club, society or business that isn't already listed at milton.org.uk/village-directories.

Do you want to help us? We'll possibly be making a few changes to the MVV from next year. If so if you have any ideas or suggestions, please get in touch and we'll see what we can do.

Clubbercise comes to Milton!

A fresh and fun new fitness trend has come to Milton. Clubbercise is a dance fitness class which is storming the nation. Clubbercise with Amelia classes are at Milton Primary School and are held every Thursday evening at 7:30am – 8:30pm.

Clubbercise classes are taught in a darkened room with disco lighting and flashing glow sticks set to uplifting club tunes. Tracks include anything from 90's classics to the latest chart-toppers from the likes of Rudimental or David Guetta. The atmosphere is amazing! The routines are easy-to-follow which means you can really let go and enjoy the music, and you do not need to be a dancer. A high energy cardio, tone and combat workout within a friendly, inclusive and welcoming fitness community.

Classes are £6 PAYG and a 10 class pass monthly booking is £35, saving money if you book more than one class a week. Glow sticks can be purchased for £5 a pair (these are not essential though).

For more information and class bookings please contact Amelia on 07795 680 733

A little bit of time can make a big difference

Could you give a few hours to help support EACH continue our vital care services for children and young people with life-threatening conditions? Our volunteers make a real difference to the service we provide—put simply, we couldn't do what we do without them!

We have a range of roles available, at times to suit—helping at events, bucket collections or in our shops to name a few. Not only will you be supporting a local worthwhile cause but our volunteers tell us regularly how much they get out of it: hands-on experience, learning new skills, meeting new people, increased confidence and, most importantly having fun!

If you'd like to help by giving your time; even a couple of hours a month, or have any further questions, please don't hesitate to get in touch with the EACH Volunteer Services team on 01223 205 183 or email volunteerservices@each.org.uk. Thank you!

Janet Freeman

Janet Freeman sadly passed away on Sunday 29th August 2021.

Janet moved to Milton with her husband Don and two children in 1964. Many people will have known her through her work as a playgroup leader in Milton in the 1970s and 80s. She loved her work and was a firm believer in children learning through play. She was an active member of the W.I. In the summer months she loved swimming in the gravel pit where the community centre now stands.

When she retired she was a successful member of the Milton Outdoor Bowls Club. She spent the last few years of her life in Etheldred Care Home in Histon who provided excellent support in her battle with Alzheimer's.

Not The Village Fayre!

Plans were in full swing for the Village Fayre to return this Summer, but it was not to be. However, we were able to organise and run the 1st 'Not the Village Fayre'! From what3word trails to photography challenges, there was something for everyone! We would like to say a massive thank you to everyone who joined in as well as the team at the Country Park for allowing us to run multiple trails!

On to 2022! Make sure you keep Saturday 9th July 2022 free as the Fayre will be returning! There are many ways you can be involved, from joining the organising group to having a stall on the day. If you would like to know more email us at summerfairmilton@gmail.com See you on Saturday 9th July 2022!

Minor homecoming—can you help?

Milton recently saw the unusual reunion of a house and a car. The black Morris Minor 4dr Deluxe was originally sold on 1st September 1955 by King & Harper Ltd of Bridge Street, Cambridge. The buyer was a Mr W H Ede, who lived at number 2 Fen Road. It is perhaps a testament to his extra investment of £10.10s to have the car undersealed that it survives today.

The Minor remained in the family for several decades, though they later relocated to Surrey. Recently it was bought by Ben Wanklyn of the National Motor Museum, Beaulieu, who spotted the car languishing in the backyard of a Morris Minor specialist's premises. Ben happens to be a friend of motoring journalist Russ Smith, who lives in Milton. Russ tells us, 'I knew Ben had bought another Minor, but then got an excited call a few months later. The car's history file had been found, including the original sales invoice. Ben had already stayed with us in Milton a few times and was amazed to discover that the car was from just around the corner.

'It was obvious it would have to be brought back to its original home, so we agreed that would happen as soon as Ben had got the car mechanically sorted. Then of course COVID got in the way.'

Finally, with restrictions lifted and the car running well enough to make the journey up from Hampshire, on August 1st Ben brought it back to Milton and photographed it outside 2 Fen Road.

Ben is keen to track down more of the car's history, so though it is unlikely, the question has to be asked – is there anyone left in Milton who lived here in 1955 and remembers it or the Ede family? At that time new cars were still quite a rare novelty, so it may well have been noticed. If anyone can help, Ben can be contacted by email, at dormobileben@outlook.com.

Beaches Community Car Service (BCCS) needs volunteers

BCCS provides a voluntary transport service for Waterbeach, Landbeach, Milton, Horningsea, and Chittering. We are URGENTLY in need of coordinators to assist with the scheme. The coordinator is vital to the efficient working of the scheme.

For coordinators the work involves a few hours a week, over a two week session, with 6 to 8 weeks* between sessions, taking calls or checking messages from clients, and finding an available driver via email. A mobile phone is provided, so no additional costs are involved.

*The more coordinators we have, the larger the gap between sessions!

We are also in need of additional volunteer drivers. For drivers, it involves responding to email requests from the duty coordinator who will have all of the details for a requested journey. You can respond as little or as often as you are able, or wish.

Please email m.dean@ntlworld.com if you are interested and would like further information without obligation. Thank you.

Renewal of Concessionary Bus Passes

The Combined Authority is aware that over the next eighteen months the number of renewals of the concessionary bus passes is potentially going to be very high. It is the responsibility of the pass holder to check when their pass is up for renewal and then to contact the Combined Authority to get a new one.

Pass holders can easily renew online at transport.cambridgeshirepeterborough-ca.gov.uk/buses/free-bus-passes.

If people have any problems with the online form then they can also call the number on the back of their passes.

Vacancy: General Assistant, Milton Community Center

We are looking to recruit a General Assistant to work at our 3 recreational areas in Milton. Duties will vary but will include some cleaning, litter collection and removal, unlocking and locking the buildings.

Hours will vary but on average will be around 6 hours per week and will include some evening attendance.

For further information please contact Andy West on 01223 862 763 or via email at MCC@miltonvillage.org.uk

Milton Good Companions—Volunteers Needed

Milton Good Companions, until COVID- 19, used to meet at Barnabas Court on a Friday during school terms. We provided activities, companionship and a good lunch for elderly residents of the village. We would like to recommence our meetings again in the Autumn on a fortnightly basis, but are in urgent need of volunteers. The time commitment is flexible both on the day and how many Fridays you can commit to.

Volunteer roles include setting up/clearing away chairs and tables, tea/coffee making, serving up and clearing away lunches, help in the kitchen, drivers to pick up and deliver members from around the village, assisting Leader with activities.

We welcome new members to join our regulars — why not come and try? As a member, tea/coffee and biscuits are served on arrival from 10.30am, followed by lunch, with some activity in the afternoon, then a cup of tea before leaving at around 2.45pm.

All for £5.00 a day.

If you are able to help or know of anyone interested in joining us, please get in touch.

ALCOHOL PROBLEM? MAYBE WE CAN HELP

Is your drinking costing you more than money? Tried to give up but can't? Want to stop but don't know how?

We may be able to help.

Alcoholics Anonymous is a fellowship of men and women who share their experience, strength and hope with each other that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking.

**New 'Free to Talk' meeting starting every
Wednesday from 16th June 7pm-8pm Milton
Community Centre, upstairs.**

This is a closed meeting: Closed meetings are limited to those who have a drinking problem (or think they may have).

Update on COVID cases from the surgery

We wanted to share this picture to give an indication of how many COVID cases are being reported to us each week. To put these daily figures in context Jan 2021 saw over 40,000 cases with over 1,500 deaths, whereas this month we are seeing 40,000 cases but only around 60 deaths.

The vaccination is working but COVID is still very much here and we need to remain vigilant and continue to protect ourselves and those most vulnerable.

The colours on the graph show those who have been double vaccinated, one vaccine only and nothing at all.

Your photos could be here!

Photos taken in and around Milton are always welcome—of places, people, events, or just something that strikes you as beautiful. No lower or upper age limit!

Send them to mvv@milton.org.uk and we'll include as many as we can.

Milton Women's Institute (WI)

The registration year has changed this year from January–January to April–March. It's been so wonderful to have so many members rejoin in April, as well as 2 new members join after such a difficult 2020. We now have 51 members.

We continue to have Zoom meetings but hope to be in the church hall before the end of the year. Our speakers will continue on zoom as they have been very successful.

Looking forward to our next speakers talking about “Knickers- A History of Underwear” in September and “Dad's Army” in October. Such a variety of topics we are going to have at our meetings.

The committee decided to arrange a coffee morning in a garden for August as there is no meeting in August. What a great time was had by all. 21 members got together for the first time since February last year and everyone was so pleased to be able to sit and chat over a coffee.

Our walking activities have resumed and we are playing darts again every week. So getting together at last for some of our activities.

When we are back in the church hall, we will meet every 3rd Tuesday at 7.30 pm.

If you would like to join the WI you are very welcome to phone our president Gill Offley (01223 293 231) or committee member Sue Nowak (01223 420 676) and they would be very happy to provide any further information.

Milton Local History Group

Milton Local History Group is pleased to let the village know that we have resumed our monthly meetings at Milton Community Centre.

Meetings now take place on the first Monday of the month at 7.30pm. There is a small charge of £2 on the door to cover rent and refreshments.

Future talks will include: Reminiscences of Olympics past—A meeting with Kelly Holmes, the Olympic torch relay in Cambridge, the Paralympic torch relay in Milton and the 2012 London Games; Heraldry and the importance of colour identification today and a chance to design your own coat of arms or family crest; a Christmas quiz and a range of talks by guest speakers.

All welcome.

Contact Chris Thomas on 01223 440 024 (chris@miltoncontact.com) or John Froment on 01223 562 303.

Milton Outdoor Bowls Club

2020 saw many new players on the green due to the lockdown. It was a great season for our First Team, winning the Cambridge & District League. We also had league teams represented in CD5, Ely & District, Business House Mens & Mixed. Our club finals weekend produced great crowds & after many qualifying rounds, the winners were: Steve Thompson. Margaret Nunn, Spencer Maltby & Dave Ellum. Neil Whitehead, Jim Daniels, Sue Coulson & Bob Stevens.

Also, congratulations to Steve Thompson (pictured) who won the Ely & District Men's Singles competition.

Our bowls green is open from early spring to the end of September & all ages are welcome. Annual membership starts at just £10. For further information, contact Jim Daniels on secretary@mobic.org.uk or look us up on Facebook.

Phoenix Trust News

Any Phoenix contribution to Milton Village View has to start with a thank you to all the local residents who continue to support us, buying our handmade wooden and concrete products. It has been lovely to see examples of the former, dotted around the village, two little libraries, a plant kiosk, and, most recently, a mud kitchen for the Wild Beginnings Group, based in the Country Park, which has proved very popular.

We are already starting to think about Christmas (sorry!) and one of our talented co-workers, has produced two designs for our cards. The blue planter, is one of our latest designs.

Our co-workers and volunteers have been working as hard as ever in the woodshed, factory, kitchen and garden, where we have been busy growing foods for our chefs. We have recently said farewell to Rob and hello to Richard, and would welcome other volunteers on board, if you are interested then please do get in touch.

Our cakes have received some rave reviews so we are going to expand during October. Check our website for more information—cakes need to be pre-ordered: www.phoenixtrust.org

Education and Conference Centre available for venue hire,

The Education and Conference Centre can now facilitate video conferences and streaming, to provide virtual and hybrid events. The venue is COVID-19 safe, having made all the necessary changes for Keeping You Safe, and has been awarded 'Visit Britain Good to Go' accreditation; and also provides in-house hospitality and catering if required. To enquire about booking the facility, contact the Conference Team at venuehire@arhc.org.uk or find out more at arhc.org.uk/venue-hire

Amazon Wish List

Earlier this year, a social media post asking for blankets resulted in donations of over 60. After such an amazing response, an Amazon Wish List was then launched this summer. It includes everything from moisturising lotion and scrubs, to hand putty and audio recorders. Visit our website and search for Amazon Wish List to find out more.

Another great way to make an impact, is to set up a **small monthly gift**. If you would like to find out more about this, you can email fundraising@arhc.org.uk or visit arhc.org.uk/donate

**Beautiful online tribute pages**

Arthur Rank Hospice Charity's Tribute Pages can be compared to a dedicated website. Each one is individual, and a 'theme' can be selected to suit the person being remembered.

If your loved one has been supported by Arthur Rank Hospice Charity and would like to create a special Tribute Page, you can call the fundraising team 01223 675 888 (Monday–Friday 8:30am–4:30pm), email fundraising@arhc.org.uk, or visit arhc.org.uk/tribute

Wildlife Notes

I always get cross when the BBC weather forecasters tell me on 1st September it's Autumn as I was taught the seasons begin on the equinoxes and solstices. As I write this over the August Bank Holiday weekend I've already had tastes of the forthcoming season but am hoping we will have more summer in September. A trip to Titchwell Marsh at the end of the July heatwave told me Autumn was looming; some godwits and curlews were back at their wintering grounds.

I note on BBC Springwatch they found blue tit nests were failing. There have been plenty of juvenile blue tits at my bird feeder; maybe something in Milton was different to that of the Springwatch venue: more caterpillars? I've also seen a succession of juvenile blackbirds, robins and great spotted woodpeckers. One of the latter met rather a sticky end as a sparrowhawk got it. Intervening wasn't going to help, and the sparrowhawk probably had a young family to feed. Chris Packham would have been in ecstasy.

I last heard swifts on August 2nd. There are still plenty of swallows near the river; from the tweeting I heard when one went up above the pipe below the A14 bridge the other day, I wonder if there are some late nests there.

Have others in Milton who have a buddleia thought it a good year for butterflies? One day I counted five red admirals at once and also many peacocks and some commas. A species of bird I've seen regularly this summer is common terns; a contrast to last year. Perhaps they've found alternative nesting spots within feeding distance of the river, I've seen them all the way from Baits Bite Lock to the Long Reach. I only ever seem to see kingfishers in late summer or autumn, perhaps as they are young staking out a territory.

Back in the garden at least two hedgehogs are visiting the feeding station, a highlight a couple of weeks ago was a grass snake making a long expedition across the lawn.

1st Milton Brownies—spaces available

During the Coronavirus pandemic, 1st Milton Brownies met via Zoom and did some programme activities, crafts and games each week.

A range of badges were awarded at the end of the Summer term, including our first Silver Award to Olivia, and Grace and Ellie G received their programme awards. Anniversary badges and Sixer and Seconder badges went to Ellie B, Eilidh, Elsie and Sophia.

Our Young Leaders ran some games for us as part of their qualification so thanks to Erin and Emily. We said goodbye to Eilidh and Olivia and wish them both all the best with Guiding and other activities.

We were delighted to return to face to face meetings at temporary accommodation (North Lodge Pavilion) so we could see the girls again and not just through a screen! Our thanks must go to MCC for their support.

If you have a daughter aged 7 or over who is interested in Brownies, we have some spaces in our unit that we can offer. We meet on Wednesdays from 6pm to 7.30pm so, if interested, please do get in touch with us. We also have a waiting list for those not yet old enough to join us but who would like to once they reach 7 so we would also be very pleased to hear from you.

If you would like to know more, please contact us on 1stmiltonbrownies@gmail.com or, if you would like to register your daughter, you can go straight to www.girlguiding.org.uk—select Information for Parents from the top of the screen and then select “Register your Daughter”. When you put in your postcode, choose 1st Milton Brownies – Wednesday night.

Milton Tennis Club

Play resumed at Milton Tennis Club (albeit following current COVID advice) this season. We have played our usual in-house tournaments with restricted numbers. Wednesday club nights have been enjoyed and a pared down season of LTA matches have been played with Mens, Ladies and Mixed teams entered. Samy Fennich has continued with junior coaching sessions and various social groups and families have made good use of the courts at other times. A group of MTC members took part in a Spy Mission in Ely in August, followed by a damp picnic in the park bandstand which offered some protection from the elements. We hope that our annual ten pin bowling evening in November will go ahead this year too. Our AGM will be held in October, date to be confirmed.

Next year we hope to be back to our normal full season of LTA matches, tournaments, friendly matches, and coaching sessions.

Right: Rosie and Mark, winners of the Roger Barham Cup played in June 2021, together with other participants. Rosie has won two of our tournaments this year – will she make it a hat trick? Our third and final tournament of the year takes place at the beginning of September.
