Est. 1991. Issue No. 99 - September 2011

www.mvv.org.uk

In Focus: Milton Photographic Club

Starling Cherry Picking Photographer: Gerry Metcalfe

Milton Photographic Club held their fourth annual exhibition at the village fayre in July.

This included pictures from all parts of the world, but many depicted Milton and the local area. In addition, a number of images were from the practical photography evenings held by the club during the year. This year we photographed the Cambridge Christmas lights, and then returned to capture the city in May. Another session featured photography using polarised light and we also held a portrait evening at a local professional studio. A selection of the images displayed at the exhibition is shown on page 5.

As well as practical evenings, the club's programme features talks by members and invited speakers, and "show and tell" sessions, where we

exhibit and discuss photographs we have taken. The club meets on the third Wednesday of each month in the church hall at 7:45 p.m. Meetings for the rest of the year are:

October 19th: Internal Speaker

November 16th: Practical evening - flash photography

December 14th: Show and tell - Milton

Our members range from beginners to enthusiasts, and new members would be very welcome. Just pop along to a meeting — we have a nominal fee of £2 to cover costs — or have a look at our website www.miltonphotographicclub.org.uk

New Local Recycling Facilities

Following the successful introduction of the new blue bin service, South Cambridgeshire District Council has been looking at new ways to extend the range of materials that residents can recycle.

Compared with materials accepted in the blue bin (e.g. card and plastic bottles), you may find that you don't have items such as unwanted textiles or old CD's on a regular basis. Even if you only throw away a small amount of textiles or books it makes a big difference if you choose to take them to a recycling bank. Your local recycling area provides an easy and convenient way to recycle these items.

Textiles and shoe recycling bank

In South Cambs we hope to reduce the amount of textiles and shoes sent to landfill. Residents living in Milton can use the local recycling bank in Tesco's supermarket car park to conveniently recycle a wide range of items such as: *clean and dry clothing, shoes, bags, belts, towels, blankets, duvet covers, pillows, sheets, curtains, fabric.*

Unwanted clothing and shoes are often perfectly wearable and can be used again, providing affordable and much needed clothing for others. Items which are not reusable, such as fabric and worn out clothing, can still be placed in the bank for recycling; just make sure they're clean and dry. Cotton can be turned into rags for wiping and polishing. Car insulation and stuffing can be made from knits and woollen materials. And other materials find their use in a variety of other ways, such as building materials, reprocessed upholstery fibres, and home insulation.

Media recycling bank

From time to time every household may have old videos or books they no longer need or want and wonder if they can be recycled. The answer is now yes, with the new media bank at Tesco's accepting the following items: *books, CDs, DVDs, video tapes, cassettes, computer games.*

Items that cannot be used again can still be placed in the media bank and will be separated from reusable items. Books unsuitable for reuse are pulped and made back into paper. Plastic from CDs, DVDs, cassettes and video tape is granulated into pellets and made into new items such as buckets, trays and stationery items.

For more recycling information please visit www.scambs.gov.uk/recycling or email bluebin@scambs.gov.uk

Thank You

Through the Milton Village View I would like to thank all family and friends and villagers who supported Pat Atkins and me to complete 101 holes of golf at Girton Golf Club on Monday 1st August in aid of Breast Cancer Care.

All went really well and we teed off at 4:50 am. The weather could not have been better, our caddies and support on the day was overwhelming and helped us to complete 101 holes in just 12 hours. In fact we were even thinking of playing on to complete 6 rounds of golf as we were on a real high with no tiredness, aches or pains.

We are so grateful to all who sponsored us, as it helped us to raise over £3,100 for Breast Cancer Care. Thank you all so much.

Helping Hedgehogs

Hedgehogs are popular nocturnal spiky mammals which do live in Milton. If you wish to help them and ensure you get them in your garden, what do they like: ways to get in and out of yours and your neighbours' gardens so they can roam afar collecting food; occasional gaps of two or three inches at the bottom of fences and gates should be sufficient; undergrowth and piles of leaf litter or compost where they can sleep during the day, during the whole of the winter and be able to find food. They eat invertebrates of all kinds, including the dreaded slug! They are partial to cat or dog food, wet or dry, if you want to put out some extra food and hopefully get a sighting, but make sure the local cat population can't get at it first! They like lots of fresh water too.

What do they dislike: rat poison, slug pellets and strimmers are all lethal to hedgehogs. Also bonfires which are lit without checking that a hedgehog hasn't decided it's a perfect home for daytime sleeping or winter-long hibernation. They don't like daylight; a sighting of one in broad daylight is likely to be a sighting of a sick or disturbed hog. They really hate fast cars when it's getting dark early at this time of year and they're trying to get out and about to find food so they can get fat enough to hibernate safely. Driving slowly and carefully won't only allow you to stop safely for a hedgehog crossing the road, but will make Milton a quieter and safer place for us all.

Getting Messy

Do you enjoy getting messy? Lots of people at the Village Fayre did. In All Saints' gazebo, parents and children fished with magnets, hunted for fruit, decorated straws, made flowers, won prizes and generally had fun. Why? They were trying out Messy Praise.

Messy Praise is crafty, creative, messy church for young, old and in-between. Come and enjoy crafts, bible stories, songs, prayers and great food. All for free. At All Saints Church in Church Lane at 3.30pm on these Sundays:

16th October

27th November (Messy Christingle)

18th December

Come and try it.

All Saints Night Live June 2011

We enjoyed a great evening with Ridley Hall Gospel Choir in June, with 20 people singing for us songs ranging from old gospel songs to modern Christian music, expertly arranged by the choir conductors Eleanor Jeans and Calum Lindsey.

The church enjoyed listening to the choir and were even persuaded to join in with some of the songs! A great time was had by all.

Carol Singing

It's a bit early to be thinking about Christmas, but rehearsals for this year's Carols by Candlelight choir will be starting in early November. We always welcome new singers, and aim to have plenty of relaxed rehearsal time to learn the music.

If you're interested, please contact Nat & Mary-Ann Johnson by email on mary-ann@cantab.net, or by phone on 441438.

EACH Santa Run

The Cambridge Santa Run in aid of East Anglia's Children's Hospices (EACH) takes place at 10am on Sunday December 18 and you're invited!

The 3km sponsored event can be walked, jogged or run, and the route is circular, starting and finishing at The Grafton and incorporating Midsummer Common.

A total of 322 people took part in last year's event, raising £10,749.10, and we're hoping to beat those figures this year!

It's a great fun way to spend a Sunday and, taking place just one week before Christmas, is guaranteed to get you in the festive spirit!

Entry fees are as follows: Adults £10, which includes a Santa suit and children £5 (aged 13 and under), which includes a Santa hat. For more information visit: www.each.org.uk/santarun or call EACH Milton on: 01223 205180.

From the Desk of the Parish Council Chairman

September 2011: First of all, I would like to welcome our five new parish councillors: David Chamberlin, Jim Mowatt, Michael Perkins, Ian Tyes and Mandy Winnington. I look forward to working with them and all our returning councillors in the time ahead. Four of our new councillors joined Vice Chairman Ian May, District and parish councillor Hazel Smith and me on a village bike tour in June. They were surprised to learn just how extensive the boundaries of Milton are and received a new appreciation for all that the parish council is responsible for throughout the village.

No doubt you will have noticed that the red phone kiosk on Coles Road is now fully operational again after recent vandalism. Thanks to the Clerk's Office for liaising with BT to sort this out. I'd also like to thank Paul Capitain and the band of volunteers who helped install the seat around the horse chestnut tree on Ely Road opposite Symbian.

On advice from South Cambs District Council, the parish council has formed a working party to consider an Emergency Plan for the village. Such a plan would identify local risk assessments, skills and resources, contact points and emergency centres in the event of an emergency.

Your parish council continues negotiations to purchase College of West Anglia land adjacent to Ely Road opposite the college campus. We are liaising with the Football Association and have engaged a turf consultant to conduct a feasibility study of the proposed recreation area. We are also developing a business plan which will be necessary for applying for grants and loans. Once all the major issues have been sorted out, we intend to meet with the village as a whole, including the allotment holders, to discuss the matter in more detail.

I would like to call your attention to two short articles in this issue of the village magazine. One calls for volunteers to help with winter gritting in the village and the other is an invitation for youth-related clubs and organisations in the village to submit proposals to take advantage of the generous monetary donation provided by a resident from Butt Lane. If you feel that you are able to make a contribution to the welfare of the village, I encourage you to consider supporting our Community Care scheme. You can find out more about the scheme and make a donation at: www.LocalGiving.com/MiltonCommunityCareScheme

Finally, at the time of going to press, I received the resignation of Gerda Covell, who has been on the parish council for over four years. I would like to thank Gerda for her contribution to the council. We will be seeking to fill the vacancy in the coming weeks, and anyone wishing to stand should consult the parish notice board or contact the Clerk's Office for more information.

*Richard Summerfield,
Chairman, Milton Parish Council*

Volunteers Sought For Winter Gritting

During the last two severe winters, Cambridgeshire County Council (CCC) has received help from many parish councils and local farmers. They want to build on this support to be prepared for the coming winter. To that end, they have set up a new programme for parishioners themselves to get involved in winter gritting. CCC will provide salt and machinery and parishioners provide the labour. CCC has agreed to take on insurance liability as long as the parishioners undergo a training course. But volunteers are needed to get this new programme off the ground as well as someone to coordinate the effort. If you are interested, please contact the Clerk's Office on 861447, or email clerk@miltonvillage.org.uk

Youth Clubs Encouraged to Apply for Special Fund

As Parish Chairman Richard Summerfield mentioned in his Annual Report, a local resident from Butt Lane has very kindly donated £1,150 to be used for the benefit of the youth in the village.

The parish council is asking for youth-related clubs and organisations in the village to submit bids for a share of this generous gift. Clubs and organisations should submit one A4 size page with:

- (1) a brief description of their club/activity;
- (2) an amount of money they would like to bid for;
- (3) what specifically the money would be used for;
- (4) the number of youth in the village who would benefit from their proposal; and
- (5) contact information (phone number/email).

Please only one application per club/organisation. All entries should be submitted to the Clerk's Office by 1 December 2011.

Emergency Volunteers Required

Milton has been asked to produce an Emergency Plan to list the resources the village can expect to call on in case of an extreme emergency. We may for example be asked by the police to coordinate rescue or evacuation activity in the village, in case they are swamped by issues across the area, until they can take over. We'd like to make a list of key people and their phone numbers - if you would like to volunteer or to come onto a steering group to develop the plan, please contact the Parish Clerk on 861447 or (preferably) email emergency.planning@miltonvillage.org.uk to let us know your contact details and what you might be able to offer us. We want to produce a list of trained first-aiders, medical professionals, people with 4x4 vehicles, chainsaws, tractors, etc, catering teams, organisers and so on.

Plus if you have a skill or experience of dealing with real emergency situations that you would like to share with us, then we would like to hear from you.

Community Centre News

Some of you will have noticed that earlier in the summer the climbing net 'disappeared' from Coles Road recreation ground. Unfortunately, after 10 years of heavy use, it was worn out and had become dangerous. However, we have been successful with our grant application to the Big Lottery Fund and a replacement net should be installed by the end of September, enabling the children of Milton to once again test their climbing skills whilst their parents look on with bated breath!

Maintenance projects that have recently been completed include renewing the patio slabs at the side of the building and replacing the gutters and down pipes on the Annexe. After 20 years, the lights on the netball/tennis courts and the 5-a-side court have just about reached the end of their lifespan and should be replaced during September.

Saturday night bookings have been rather quiet through the summer, although we did host a wedding reception in early September, when the bride and groom chose to hire the internal marquee. This proved to be a massive success, totally transforming the appearance of the main hall.

Would you like to work with young children?

Theresa, Fiona and the boys of the 50th Milton beavers are on the look out for an adult (young or old) to help us to have a fun time each week and gain the many badges that are available.

We do currently have a 16 yr old doing her Duke of Edinburgh award. Maybe you'd like to do your DoE by 'helping a community organisation'. We meet every Monday evening (term time only), 6.15-7.30pm at Milton community Centre Annexe.

If you prefer to work with older children then there are the Cub Scouts (8-10½), Scouts (10½-14) or Explorer Scouts (14-18).

Milton Creativity Group: Start Up

Would you be interested in developing your creative potential whilst contributing to and developing this new, self-evolving group?

CALLING ALL CREATIVE PEOPLE! WHICH ONE MIGHT YOU BE?:

- Have you always wanted to be creative, haven't done anything about it, and need a nudge?
- Or, are you half-way through a creative project and stuck?
- Or, maybe you are a creativity junky like me, and value encouragement and support?

If any or all of the above rings any bells then why not join this newly formed small, but perfectly formed, enthusiastic group who explore 'all things creative' and mutually support each other in our individual pursuits (whatever medium or experience).

The meetings are intended to be open, informal, pro-active, fun and supportive, facilitated initially by Milton-based ex BBC drama script editor.

The idea is that we meet once a month on a Thursday. If you're interested /intrigued/curious contact Nicky via email:
miltoncreativitygroup@gmail.com
or 01223 862055

Message from PCSO John Mason

Well summer 2011 is almost over and locally it has been fairly quiet, unlike elsewhere in the country, where events that I am sure you are all well aware of led to many of us working 12-hour days and having our rest days cancelled. This was to cover for officers who were sent to other areas to assist. Your local PC Shulver found himself being regularly sent down to London to assist the Metropolitan Police.

As I say it has been relatively quiet for the summer months and I am glad to say we have not seen too much antisocial behaviour.

The type of incident that we have seen, and I would like to bring to your attention, is that of Rogue trading. We have had reports of possible rogue traders calling on residents in the local villages. These traders especially target elderly and vulnerable people, offering to carry out work that is usually not required. If you agree to the work they generally charge an excessive amount and produce poor results.

It is not advisable to agree to have work done when you are put on the spot and have not carried out any research into your options. Age UK have a very useful website which contains very good advice for all of us. Their web address is www.ageuk.org.uk. You can also call and speak to Age UK on 01223 221921 or 01354 696677; they are very helpful and can provide a list of traders which have been vetted.

Please be aware that there are people prepared to carry out this type of crime and particularly target the elderly and vulnerable. If you have neighbours or family who may be possible victims, please make them aware and if you see anything suspicious please take note of any vehicle's details, including reg numbers, and descriptions of persons involved and you can inform us on the non-emergency number 0345 4564564.

If you have any information regarding any incidents and feel you can help please contact us on 0345 456 456 4 or call Crimestoppers, an independent charity, anonymously on 0800 555 111.

If you wish to receive regular email updates you can sign up to ecops by visiting www.cambs.police.uk/signup/ecops

Take care

Milton W.I.

The summer is now over but as usual the Members of Milton W.I. have been enjoying themselves. On the 5th July we all went on a lovely day out to the Chilterns in Buckinghamshire. We picked up our guide at 'The Hit and Miss' pub where we had coffee and then went on a most informative tour around the area and marvelled at the size of all the properties and could only guess at the values; this included Chequers, the Prime Minister's country retreat. Then it was back to the pub for a most enjoyable lunch. After that we visited 'Jordans', a Quaker Meeting House, which was built in 1688. This was the Quaker Meeting House that William Penn, the famous Quaker associated with Pennsylvania in the U.S.A., attended. All arranged by Carol Jones; very many thanks Carol.

We had Sally Kingman come to our May meeting to demonstrate her ribbon work and to give us a deep insight in to the history of how ribbon has been used over the centuries. Sally is a very lively and humorous speaker and had us all in fits of laughter.

At our next meeting in June the speaker was Andy Malcolm, who is the Regional Organiser for 'The Fisherman's Mission', which is a charity to help working and retired fisherman and their families. This charity was founded in the 1880s by Ebenezer Mader and gives financial, practical and pastoral care to the fishermen and their families. A fisherman's life is a very hard one and also very dangerous, especially in bad weather. Andy, who has a very good voice, also sang a couple of sea shanties.

In July we had Vic Botterill, a retired policeman, talking on 'Psychology and Responsibility'. He outlined a scenario of murder and intrigue, then we all had to name the murderer and also to decide who was responsible for the murder. The evening was a lot of fun but also it outlined just how serious police work can be. The evening ended with strawberries and punch (non alcoholic).

Once again our darts team won the Federation cup. Very well done to them; all the practise at the Waggon and Horses pub on Tuesday nights paid off. We still go on our lunches and walks. What we eat we must walk off to keep fit.

In September some of us are going to the theatre in London to see 'Petticoats and dreamboats'. Some of us went to the Southwold summer theatre in August to see a Ray Cooney farce. Absolutely hilarious. We have good speakers booked for the coming months thanks to Judy Milner and her team. Also there are many events being organised by our County Federation, some of which are open to non-members.

Any ladies who would like to know more about us please come along to any of our meetings as a visitor. We meet at the Church Hall on the third Tuesday in the month at 7.30p.m. (except the months of July and December when it is the second Tuesday)... You are all very welcome. Please contact our President Gill Offley on 01223 293231 or our Secretary Bridget Crow on 01223 441755.

Milton Tennis Club

The Nick Lock Cup players

Another excellent season of tennis with record numbers attending Wednesday evening club nights. Three teams were entered into the Business House League with one more match yet to play; thanks to Nick Hassett for organising. The June Dant Cup tournament was played in the rain, but we were determined it would go ahead! Winners were Karen Momber and Bingfeng Mei.

The Nick Lock Cup and the BBQ afterwards were completed in relatively dry weather on the first Sunday in September, won by Carol Cox and Barrie Crick, cups presented by Sylvia Lock. Lucy Williams took over organising the Ladies Ladder with Carol Cox winning the first round. Several intra club matches have been played with Nadal's Nachos just beating Federer's Fellows 5-4 in the last match! Information about the tennis club can be found on our webpage: www.milontenniscub.co.uk
