## Crowds Flock to Open Farm Sunday

The weather did not disappoint for the crowds of people exploring life on the farm at the College of West Anglia. Over 2000 people explored CWA Cambridge on Sunday 11 June. Gates opened at 10am as cars queued up to enter the free event. Open Farm Sunday is an annual nationwide farming event, designed to get more people exploring the countryside with a little help from some agricultural friends.

External organisations such as Cats Protection, the Milton Women's Institute and Guide Dogs for the Blind also came along to show their support. Streetfood favourites 'foodPark' made a special appearance, bringing along some of the county's best-loved food vans, for those really making a day of it.

Donna Woodruff, programme manager at the college, said: "Yet again we've had a fantastic turnout. The staff and students have been a credit to the college today and I want to say a big thank you for everyone's hard efforts to make the day such a success. It's great to be able to get to showcase what we do here at CWA Cambridge and what better way to do it than on a day like Open Farm Sunday?"

## Out of Hours GPs Now at Addenbrooke's

The Cambridge out-of-hours' GP service moved from Chesterton Medical Centre to the Urgent Treatment Centre at Addenbrooke's Hospital as of August this year.

The new Urgent Treatment Centre will be based in Clinic 9 at Addenbrooke's Hospital (next to the Outpatients' entrance) and has recently been refurbished. It will operate between 6.30pm and 8.00am on weekdays and 24 hours at weekends and on bank holidays.

It is being run by Herts Urgent Care as part of the integrated out-of-hours' care contract. You need to **call NHS 111 to access this service**, as they do not offer walk-in appointments.

## Thanks from Dr. Steward

To all patients of Milton general practice.

I would like to thank all of you for your kind wishes, cards, gifts and donations to The Holy Cross Hospice marking my retirement from the surgery

I was overwhelmed by your generosity.

We received over £2000 in donations for the hospice and this will make a significant difference to them. They recently built a small inpatient unit but have only been able to use it for day care as they have not had the funding to provide staffing for twenty-four hour care. This donation will help them towards their goal of comprehensive support for end of life care – something which is sadly lacking in Botswana when compared with the UK and Europe.

I have contacted the hospice and will update you on their progress in future newsletters.

Best wishes to you all  
*Dr Rebecca Steward*

## New Milton Village Website

[www.milton.org.uk](http://www.milton.org.uk), the village website for Milton, was relaunched over the summer. The previous version was run for many years by Paul Oldham, who moved away last year. A group of volunteers has come together to form "Milton Online", running the website alongside the Milton Chat and Milton News email lists.

The vast majority of existing historical content has been migrated from Paul's system, through a lot of hard work by the volunteers, and with the assistance of course of Paul, to whom of course we must again send our thanks for all he has done for the village website over many years.

We expect the site to undergo further modifications over the coming months as we add further functionality, and tweak the appearance.

If you find any technical problems with the site, please report them (nicely!) to [tech@milton.org.uk](mailto:tech@milton.org.uk).

## Girlguide Leaders & Volunteers

Milton Guides are looking for new volunteer leaders (aged over 18) or young leaders (aged 14-17). We offer training and support – you need enthusiasm, and a willingness to spend time with girls aged 10-14.

All sorts of experience can be useful – having been a Guide or a leader before, or being a parent, being young enough to remember being 14 or old enough to be a granny, being good at crafts, or sports, cooking or listening.

We offer support and some training, and we would need to carry out a criminal records check. If you are interested please email [Milton2nd@yahoo.co.uk](mailto:Milton2nd@yahoo.co.uk).

## Coles Road Footpath

Many of you will have noticed work in progress at the Coles Road car park. A new path has been constructed adjacent to the bowls green to allow access from Barnabas Court/Recreation Close area to the surgery and community centre without crossing the car park. This should be of benefit particularly to the elderly and less active villagers. The work is being funded by Milton Community Centre.

### Milton Country Park

South Cambridgeshire District Councillors have decided to hand over Milton Country Park to Cambridge Sports Lakes Trust on a 99-year lease.

The park had been under threat of closure since December 2006.

The council are planning for the transfer to take place by early next year.

Under the trust's plans, the park would continue to provide amenities and expand on activities available for visitors.

With autumn nights approaching and the last days of Summer soon to pass, now is the perfect time to get out to your garden and prune that hedge! ## Your Photos Could Be Here!

Photos taken in and around Milton always welcome — of places, people, events or just something that strikes you as beautiful. No lower or upper age limit!

Send them to [mvv@milton.org.uk](mailto:mvv@milton.org.uk), and we'll include as many as we can.

## EACH Volunteering

Many people don't realise how often EACH requires assistance: whether it is at fundraising events, our Milton hospice, our head office or in family homes. We have a team of over 950 volunteers across East Anglia and they are at the heart of what we do, helping us reach more families than we could achieve without their support.

We believe volunteering brings benefits to our children, families, staff and volunteers themselves, as well as bringing our community together to support one another. In Milton, we are particularly in need of:

- ◆ Help for our fundraising team at our head office in High Street and also support them at events across Cambridgeshire.
- ◆ Help with gardening, housekeeping, the kitchen and maintenance at our hospice in Church Lane, as well as drivers.
- ◆ People for the new EACH Help at Home service, which trains volunteers so they can be matched to families we support, giving hands-on assistance for tasks such as cleaning, cooking and gardening.

All volunteers receive an induction, followed by training and support from their allocated supervisor. We cover out-of-pocket expenses to enable everyone who wants to volunteer the opportunity to do so, and volunteers at our hospice are also entitled to a complimentary lunch. If you are interested in volunteering, please visit [www.each.org.uk/support-us/volunteering](http://www.each.org.uk/support-us/volunteering) for more information.

## Community Café

When Nathalie Garbolino asked for suggestions for what to bake for the September Milton Community Café, one clear reply was "Custard!" The crumble and warm custard went down a treat at the August meeting – and obviously resonated with the visitors.

*Fruit crumble and custard!*

Nathalie has taken over the baking of cakes and biscuits, giving David Hutchings a well deserved break after serving us so well for nearly two years. A big Thank You, David!

If you are in Milton on an afternoon on the fourth Tuesday of the month, you are welcome to drop in – we are here for everybody in Milton who would like somewhere different to go for a change. Just £2 gets you a drink and a piece of home baked cake or a biscuit and as many refills as you want. Just drop in on your way to somewhere else or stay for the whole afternoon from 2:30pm to 4:30pm. If you have mobility issues, give us a call and we will try to help.

Our community café is run totally by volunteers and the room hire is sponsored by Milton Charities. It is an activity arising from your Milton Patient Participation Group.

## Milton WI

This year on our annual summer outing we discovered the lanes and history of Essex before having lunch overlooking the Southend shore. Some of us took a ride on the big wheel before travelling on to Leigh-on-Sea where we saw The Endeavour which is one of the remaining fishing boats used to evacuate troops from Dunkirk. Some of us also joined Bottisham WI on their outing to the Palace of Westminster which coincided with the final chime, for a while, of Big Ben.

Following the August break, upcoming speakers will include Janice Fuller talking about Diabetes, Shelley Robinson on Anti-aging Skin Care and Fay Ostler on Art and Theatre. In addition to our monthly meetings we have regular lunches, walks and board games afternoons. Our two darts teams will be playing again following another very successful season.

New members are welcome. Contact our President Gill Offley (01223 293231) or Secretary Bridget Crow (01223 441755) or come along. Meetings are on the third Tuesday of each month (except the second Tuesday in December) at 7:30pm in the Church Hall.

## Milton LHG: Project 1918

Milton's War Memorial lists the names of the fallen from our parish in the First World War. The Milton Local History Group (LHG) want to find out more about these people to celebrate their memory in time for the centenary of the end of the war. *We need your help.* First, if you are a relative and do not want us researching your past family member, let me know so that we can exclude them from our research. Second, if you have any family information about individuals named on the Memorial that you are willing to share, we would love to hear from you. Third, if you or your family members moved to the village and have stories of your ancestors relating to WWI, from wherever you came from, we want to hear your stories. We would also like to hear of the wider stories relating to WWI: those who could not fight because they had vital jobs; the women essential to the war effort; conscientious objectors; doctors, nurses and carers; refugees and PoWs, etc.

Milton LHG meets on the first Tuesday of the month at the Milton Community Centre at 7:30pm. Attendance is £2 towards hall hire. Contact: Chris Thomas, 01223 440024, [chris@miltoncontact.com](mailto:chris@miltoncontact.com)

## Milton MU

July saw Milton MU members and friends take to the water for a summer outing. We spent the day on the Great Ouse being looked after by crew members of the Ladybird. 9<sup>th</sup> August is Mary Sumner's day. It is a day when MU members give thanks for the remarkable life of Mary Sumner their founder and the achievements of Mothers' Union. Milton members spent the evening together with Puddings and Pimms. There was much to celebrate. September's meeting includes a talk by Hilary Street on "Art in Churches" and October sees us meeting with members from Stapleford MU and others for the annual sausage sizzle. On 7<sup>th</sup> November Jean Thomson from Ely will be speaking on faith and family life. We welcome visitors to all our meetings and are keen to increase our membership. For further information on Mothers' Union visit [www.themothersunion.org](http://www.themothersunion.org).

## Wildlife Notes

I think this year, Autumn came earlier than usual. I last saw swifts in any number about mid-July. I've not seen the terns I see along the river since then either. This is two weeks earlier than my normal observations. Most worrying was seeing large numbers of housemartins flocking on 23<sup>rd</sup> August, as if ready to go. Often, some raise a second or third brood, and leave nearer the end of September. Presumably, as the weather was so cool and wet from about mid-July, they decided against that, and just fattened up themselves and the young they'd already raised for the long journey south. Only some of the swallows seemed to still be here at the very beginning of September.

After my last column, the hedgehog behaviour became slightly strange, with one individual regularly coming well before sunset. The normal advice is if you see a hedgehog in daylight, it must be ill or in trouble. However, this one seemed not to show any confusion, making what seemed to be a determined beeline for the food bowl. One evening I grabbed and weighed it and checked for injuries. A decent weight (850g), bright eyes, all four legs working, a firm ball, and a feisty attitude to being grabbed were all signs of good health. Was this a nursing mother, needing to stock up on food to make milk for her young, so taking the risk knowing that there should be food? We didn't see any obviously young hedgehogs, although there were four hedgehogs at the feeding station one evening. Then, two more sightings of a single hog and then no more hedgehogs! Is there so much natural food elsewhere that they don't need to come and eat what we put out?

A reader of this column got in touch to ask about identifying a bird in David Bull Way. It was described as *"the size of or slightly larger than a blackbird, but smaller than a rook, with a slim frame, medium brown all over the body and the head, with a wide cream-coloured 'necklace'. The bill was yellow and may have been slightly curved"*. I was somewhat mystified. The only thing that comes up in the RSPB bird identifier is a female ring ouzel - seems very unlikely, unless they are migrating already. That's the kind of bird people travel to see. But it could be a leucistic blackbird - I feel that's more likely. See [tinyurl.com/ringouzel](http://tinyurl.com/ringouzel) and [www.ringouzel.info/news\\_howtoidentify.html](http://www.ringouzel.info/news_howtoidentify.html). There's no "gossip" on any of the bird chat sites about any ring ouzels anywhere near us currently but someone mentioned one up at the research park off the A10 in May, so we're on the passage route for some individuals.

## Milton Tennis Club

On 9<sup>th</sup> July, Milton Tennis Club held its second "Try Tennis For Free" day as part of the Great British Tennis Weekend. There was a strong turnout with many taking advantage of the discounted membership that was offered on the day. There was mini tennis for the little ones along with junior coaching by Samy Fennich while the club's tennis coach Greg Ryder passed on tips during the adult coaching and family sessions. The speed gun was also well used to record the service speed for the more advanced. MTC held a number of in-house tournaments throughout the season. Winners this year:

- 🎾 Nick Lock Cup, April: Lizzie Wieser and John Whitehouse
- 🎾 Dant Cup, June: Sue Griffin and Bingfeng Mei
- 🎾 Barham Cup, July: Jessica Hunt and Tom Hunt

The club is a member of the LTA and has doubles teams in the men's, ladies and mixed leagues together with a men's team in the Business House League. We have some great results from all teams this summer: Milton Ladies: top of Division 7 (promotion to Division 6 next year); Milton Men: third in Division 9; Milton Mixed: third in Division 8; Men's Business House League: currently top with one more match to play.

## Yoga Kids Club

Yoga Kids Club is a new venture born in Waterbeach teaching yoga to primary school children aged 4-11. Our classes combine breathing exercises, stretches, and

**Yoga  
Kids  
Club**

mindfulness exercises to help children become aware of their minds and bodies. Using games, songs and props we make sure they have fun from start to finish!

Yoga is suitable for all children, regardless of ability and is a healthy, non-competitive way to look after themselves. In a few lessons, the children can see their flexibility and strength improve, increasing their self-confidence. Guided meditation and mindfulness exercises help to wind them down, and we have heard tales of improved sleeping patterns and better concentration when these are used regularly!

We have weekly classes in Milton on Tuesdays (4pm & 4:45pm) and Waterbeach on Mondays (3:20pm & 4:30pm). These sessions can be booked on our website: [www.yogakidsclub.com/book-classes](http://www.yogakidsclub.com/book-classes). Other sessions are also available. ## Milton Ladies Football Club

Milton Ladies FC are looking for new players for the upcoming season. Players age 16 and over of all abilities are welcome. If you are interested in joining or would like more information please contact Joanne Carr at [joannecarr91@hotmail.com](mailto:joannecarr91@hotmail.com).

## Milton Colts U13's Football Team Sponsorship Request

This is a request to any businesses based in or around the Milton area who may be interested in providing financial support to the Milton Colts Under 13's Football Team to assist with the costs of new kit items (Football Kit, Training Tops, Waterproof Jackets).

This team consists of a group of Milton children who train & play football in Milton. This coming season the team will be playing their 8th season of football together and from the current squad of 14 players, 10 have been with us since they started as Under 6's. This is very much a community team, who have learned the importance of team working & fair play. As a result of their development over the previous 7 years, this team now plays in the top division of the Cambridge & District Colts League and during the last few weeks have participated in 2 summer football tournaments (at Willingham & Saffron Walden). In each of these tournaments we entered 2 teams to ensure that all squad players would be playing a full part, and in both tournaments all teams reached the semi final stages with one of our teams going on to win both finals.

As the children continue to grow, we now need to buy new kit including full match kit, training tops, rain jackets & tracksuits. If your firm is able to assist with sponsorship to help fund the costs of any of these items, we would wear your firm's logo on the respective item, and your support as a Sponsor would be shown on the Milton Colts FC website, and also be recorded by Cambridgeshire Football Association as a sponsor of the club. We would also be more than happy to take part in promotional photos in the local newspaper should you require. If you are able to provide some form of support to our team or know of anybody who would be interested in doing so or have any other questions, please get in touch using the below contact details.

Milton-based glass artist, Mark Palmer ([www.stainedglassman.co](http://www.stainedglassman.co)) has partnered local charity Phoenix Milton to produce some striking mosaic stepping stones.

These were officially launched at a special show in the entrance to Milton Tesco in August and are for sale or order along with the Phoenix's usual range of hand-made paving stones, garden tables and plants.

Phoenix is a Milton-based charity that provides work-training and support for folk with learning disabilities. Access to Phoenix is through the Milton Industrial Estate (turn right before the Country Park) or through the Country Park itself for pedestrians.
